Please note that the land use classifications on this map are derived from the NYS Office of Real Property Services' Property Type Classification and Ownership Codes. That system classifies the Watervliet Arsenal as an Army, Navy, Air Force, Marine, and Coast Guard, Installations, Radar, etc. (Land Use #660), a Community Services sub-category. This map should not be misconstrued as recommending a change of use at the Watervliet Arsenal, which houses manufacturing and industrial activities.
