PUBLIC NOTICE
 Department of Health

On July 15, 1997, New York State's Medicaid demonstration program, The Partnership Plan, was approved by the Federal government under Section 1115 of the Social Security Act. This waiver has been extended and amended to reflect programmatic needs. Under the waiver, the State is required to seek Federal approval of any amendments.

The New York State Department of Health (NYSDOH) is seeking approval from the federal Centers for Medicare & Medicaid Services (CMS) for the following changes:

- Extension for the Medicaid Managed Care Program to remain in the Partnership Plan Waiver beyond the March 31, 2014 expiration date;
- Extension for Safety Net Adults beyond the December 31, 2013 expiration date;

- Extension for Facilitated Enrollment Services beyond the March 31, 2014 expiration date and amendment to the Partnership Plan to provide facilitated enrollment for the Child Health Plus program;

- Extension for Home and Community-Based Services Expansion Program beyond the March 31, 2014 expiration date; and

- Extension for Medicaid Eligibility Quality Control (MEQC) beyond the March 31, 2014 expiration date and a technical revision to the MEQC Special Terms and Conditions with the extension request.

Additional information concerning the Partnership Plan and the proposed requests for extension can be obtained by writing to: Department of Health, Office of Health Insurance Programs, Corning Tower, Attn: Donna Speckert (OCP Suite 720), Albany, NY 12237, e-mail: dxs17@notes.health.state.ny.us or Kal05@notes.health.state.ny.us

A detailed summary of the requests will be available to the public on-line at www.health.state.ny.us or www.cms.hhs.gov. Written comments will be accepted at the above address for a period of thirty (30) days from the date of this notice.

PUBLIC NOTICE
 Department of Health

Pursuant to 42 CFR Section 440.305(d), the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for public health insurance coverage that will impact certain non-disabled, non-pregnant adults, ages 19 – 64 for whom New York already provides public health insurance coverage to comply with federal requirements under the Patient Protection and Affordable Care Act (ACA). The following Medicaid Benefit Changes under the ACA are proposed:

The ACA established a new Medicaid eligibility category that provides coverage to non-elderly, non-pregnant individuals with family income below 133 percent Federal Poverty Level (FPL) who are not entitled to or enrolled in Medicare Part A, not enrolled in Medicare Part B, and not eligible under any other Medicaid eligibility category. The ACA required that most individuals covered under the new eligibility group be enrolled in Medicaid Alternative Benefit Plans (ABP). Medicaid Alternative Benefit Plans must provide a minimum set of standard health benefits known as Essential Health Benefits (EHB).

The New York State Department of Health will provide the Medicaid State Plan as the Alternative Benefit Plan to the new Medicaid eligible population group. This will allow for continuity of coverage for individuals currently enrolled, provide for equity of coverage for new enrollees coming into the program and assure the health care needs of the population are met by a cost effective benefit plan that complies with the EHB requirement.

State Medicaid expenditures will decrease for State Fiscal Year 2013-2014 as a result of adopting the Alternative Benefit Plan. The State will receive enhanced federal financial participation for the new adult group eligibility category provided the benefits conform to the ABP requirements of the ACA. Federal financial participation will be 100 percent for newly eligible individuals and 75 percent for current enrollees.

The public is invited to review and comment on this proposed State Plan Amendment. *Additional information concerning the Alternative Benefit Plan can be obtained by writing to:* Department of Health, Division of Eligibility and Marketplace Integration, One Commerce Plaza, Suite 1200, Albany, NY 12237, Attention: Dawn Oliver
