Chairman

Section 460.6 Attorney and registered representative fee procedure.

(a) Requirement for allowance of fees. (1) In any proceeding under Article 18 of the Labor Law no fee for services rendered to a claimant in connection with any claim arising under this article shall be allowable unless such agent is registered with the appeal board or is an attorney.

(2) Each attorney and registered representative who represents a claimant on a fee basis in connection with a claim under Article 18 of the Labor Law shall execute a retainer agreement setting forth the terms of representation and the fee arrangement.

(3) When an attorney or registered representative represents a claimant in connection with any claim arising under Article 18 of the Labor Law, the board or administrative law judge shall ascertain whether such attorney or representative is appearing for the claimant on a fee basis and advise the claimant that fees approved by the board are payable by the claimant.

(4) Following the mailing of a final decision, the attorney or registered representative who seeks a fee for such representation shall provide the claimant with an itemized bill setting forth in detail the work actually performed on behalf of the claimant for which the attorney or registered representative seeks compensation. The itemized bill shall include:

- (i) the actual time spent in preparing for and providing representation;
- (ii) the number of hearings held in the matter;
- (iii) the costs and expenses incurred in representation as described in subdivision (c) (2) below;
- (iv) the hourly rate or method used to determine amount of fee requested which must be consistent with the fee arrangement specified in the retainer agreement; and
- (v) the total amount of fee requested.

(b) Applications for fee approvals. Attorneys and registered representatives appearing on a fee basis must apply to the board for approval of such fees in accordance with procedures set forth below.

(1) Each application for a fee approval shall consist of the following:

- (i) a copy of the fully executed retainer agreement required by paragraph 2 of subdivision a of this section;
- (ii) a copy of the itemized bill required by paragraph 4 of subdivision a of this section;
- (iii) a statement identifying additional factors to be considered by the board in reviewing such application; and
- (iv) a signed certification, on a form provided by the board, attesting to the accuracy of the itemized bill; that benefits were allowed in a final decision in connection with said representation; and that copies of the itemized bill, retainer agreement and any statement of additional factors have been given to the claimant.

(c) Factors to be considered by the board. (1) Claims for services rendered to a claimant by an attorney or registered representative shall not be enforceable unless approved by the board and shall in no event exceed the total benefit allowed. In approving any such fee, the board shall consider the following factors:

- (i) the total benefits allowed;
- (ii) the time spent in providing representation;
- (iii) the legal and factual complexities involved;
- (iv) the extent to which the hourly rate or other basis for the fees billed is consistent with the terms of the retainer agreement;
- (v) any other factors as the board may deem relevant.

(2) Standards for approving costs and expenses. The board shall approve costs and expenses as follows:

- (i) Reasonable travel time and costs;
- (ii) Actual costs of copy charges;
- (iii) Witness fees in accordance with section 2303 of the Civil Practice Law and Rules; and
- (iv) Other reasonable costs or expenses.

(d) Board action on applications. The board shall accept for filing every application that complies with the requirements of subdivision b of this section. The application shall be reviewed for reasonableness of the requested amount in light of the factors set forth at subdivision c of this section. If the requested amount is denied, in whole or in part, the board shall notify the parties setting forth the amounts denied, and the reasons for denial, and shall approve the balance requested.

(1) Applications for up to \$600.00 in fees and expenses shall be expedited and may be decided by the executive director or designee on behalf of the board.

(2) Applications for more than \$600.00 in fees and expenses shall be decided by individual board members on behalf of the board.

(3) Any fee awarded to an attorney or registered representative shall not exceed the total benefit allowed.

(e) Prohibited payments. No attorney, registered representative or other agent shall solicit or receive any fees, expenses or other money from a claimant, directly or indirectly, for representation before the

board unless and until such amount has been approved by the board pursuant to this section, except as follows:

(1) An attorney may solicit and receive an amount up to \$600.00 as a retainer to be immediately deposited in an Interest on Lawyers Account (IOLA). Such amount remains the property of the claimant until and unless the board has approved an amount as a fee; and

(2) An attorney or registered representative may obtain a pre-approved credit card authorization for an amount up to \$600.00 from a claimant but shall not process said authorization for payment until after the fee has been approved in accordance with the procedures described in this rule.

(f) Restitution. If an attorney, registered representative or other agent receives a payment for representation of a claimant in violation of these provisions, such claimant may submit an application to the board for an order of restitution setting forth the reasons for the request.

(1) The chair of the board shall then designate a member, or an administrative law judge, to hold a hearing, upon due notice to all parties including the corporate surety (see § 460.5 of these regulations), to consider the matter.

(2) If the hearing is held before an administrative law judge, the judge shall conduct the hearing and submit a report to the board, including a recommendation on the matter.

(3) Thereafter, the board shall issue an order on the matter. Such order shall be deemed an order of the board when signed by any member, duly mailed and filed. A copy of the order shall be mailed to all parties in these proceedings, including the corporate surety.

(g) Reconsideration. An attorney, registered representative or claimant who is dissatisfied with the approved fee may file an application with the board for reconsideration of the fee. Such application must be made in writing within 15 days of the mailing of the notice of the fee approval with a proof of service of the application on the other party. As soon as practicable after receipt of the application for reconsideration, the board shall issue a decision setting forth the fee awarded and the reason(s) for the decision. In the board's discretion, a hearing may be held on the issue of reconsideration of the fee.

(h) Violations. If the attorney or registered representative violates this section or fails to make restitution as ordered, the board may revoke the privilege of the attorney or registered representative from practicing before the board after due notice and an opportunity to be heard in accordance with the procedures described in paragraphs one through three of subdivision (f) of this section.
