PUBLIC NOTICE

Department of State

Routine Program Implementation Notice

PURSUANT to 15 CFR 923.84(b), the New York State Department of State (DOS) has submitted to the Federal Office of Ocean and Coastal Resource Management (OCRM) a routine program implementation action. The DOS considers this action to be routine and requests OCRM's concurrence in this determination. The change to the New York State Coastal Management Program (CMP) covered by this request is the incorporation into the State's CMP of the City of Dunkirk Local Waterfront Revitalization Program and the City of Oswego Local Waterfront Revitalization Program.

A major component of the State's CMP is the provision that local governments be allowed to prepare local waterfront revitalization programs which further detail and make geographically specific the State's coastal policies. Each local program will be reviewed for consistency with the State's CMP and approved if it meets the guidelines established in the State CMP and Article 42 of the NYS Executive Law.

Copies of the City of Dunkirk Local Waterfront Revitalization Program are available for review at the City Hall, Dunkirk, NY. Copies of the City of Oswego Local Waterfront Revitalization Program are available for review at the City Hall, Oswego, NY. Copies also are available for review at the Department of State, 162 Washington Ave., Albany, NY.

Any comments on whether or not the action does or does not constitute a routine program implementation action should be submitted by September 6, 1985 to: Kathryn Cousins, North Atlantic Regional Program Manager, Office of Ocean and Coastal Resource Management, 3300 Whitehaven St. NW, Washington, DC 20235.

For further information contact: George R. Stafford, Coastal Management Program, Office of Local Government Services, Department of State, 162 Washington Ave., Albany, NY 12231.
