PUBLIC NOTICE

Department of State

F-2003-0434

Date of Issuance -August 18, 2004

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program. The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at 41 State Street in Albany, New York.

In F-2003-0434, Boatyard Condominium of 210 Carroll Street, City Island, Bronx, NY, 10464, is seeking authorization to repair an existing platform, and install floats and pilings. The applicant proposes to install an 8'2" wide by 250' long floating concrete wave attenuator/walkway on the south side of an existing ramp. A second wave attenuator/walkway would be attached to the waterward terminus of the existing ramp, that would measure 9'10" wide by 300' long. Seven 3'3" wide by 29.5' long finger floats and 83 pilings would be installed to the west of this attenuator. Also proposed is a 6' wide by 180' long floating pier with 12 wedge shaped finger floats, each 4' wide at base, 2' at terminus, and 26' long, with 78 pilings. Approximately 39 boat slips would be created. The stated purpose is to provide mooring slips for residents of a condominium. The proposed project would be located in Long Island Sound, at 210 Carroll Street, City Island, Bronx.

Any interested parties and/or agencies desiring to express their views concerning the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 15 days from the date of publication of this notice, or September 2, 2004.

Comments should be addressed to the Division of Coastal Resources and Waterfront Revitalization, New York State Department of State, 41 State St., Albany, NY 12231. Telephone (518) 474-6000; Fax

(518) 473-2464.

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
F-2004-0647 (DA)

Date of Issuance -August 18, 2004

The New York State Department of State (DOS) is required by Federal law to provide timely public notice for the activity described below, which is subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The U.S. Army Corps of Engineers has determined that the proposed activity complies with and will be conducted in a manner consistent to the maximum extent practicable with the approved New York State Coastal Management Program. The consistency determination and accompanying public information and data is available for inspection at the New York State Department of State offices located at 41 State Street in Albany, New York.

In F-2004-0647 (DA) the U.S. Army Corps of Engineers, is proposing the stabilization of approximately 120' of shoreline along the Northport Harbor shoreline of Woodbine Avenue. The project would create an approximately 1.4H:1V slope from the crest of the existing bank to the intertidal flat using fill and cellular confinement. A low sheetpile wall and riprap would also be added. The project is located in the Village of Northport, Suffolk County.

Any interested parties and/or agencies desiring to express their views concerning the above proposed activity may do so by filing their comments, in writing, no later than 4:30 p.m., 15 days from the date of publication of this notice, or September 2, 2004.

Comments should be addressed to the Division of Coastal Resources and Waterfront Revitalization, New York State Department of State, 41 State St., Albany, NY 12231. Telephone (518) 474-6000; Fax (518) 473-2464.

This notice is promulgated in accordance with Section 306(d)(14) of the Federal Coastal Zone Management Act of 1972, as amended.
