PROCLAMATION DISSOLVING DOMESTIC STOCK CORPORATIONS AND ANNULMENT OF AUTHORITY OF FOREIGN STOCK CORPORATIONS

Four times each year, the Commissioner of Taxation and Finance sends to the New York State Secretary of State a list of domestic and foreign stock corporations which have not filed tax reports for a period of two consecutive years or which have not paid assessed taxes for any two years. The list, however, does not include stock corporations formed pursuant to special acts, or banking, insurance and railroad corporations.

After verifying the list, the Secretary of State proclaims that the domestic corporations on the list are dissolved and their charters forfeited pursuant to section 203-a of the Tax Law, and that the authority of the foreign corporations on the list is annulled pursuant to section 203-b of the Tax Law.
