National Highway Traffic Administration

The Governor's Traffic Safety Committee (GTSC) oversees New York State's highway safety program and receives funding from the National Highway Traffic Safety Administration to address highway safety related problems. The goal of the program is to prevent motor vehicle crashes, save lives, and reduce the severity of injuries suffered in crashes on the state's roadways. The GTSC distributes these funds to state agencies, local governments and qualifying not-for-profit agencies through a competitive grant award program. To qualify for funding, a highway safety problem must be documented and quantified, then an innovative solution addressing the problem must be proposed. Applications from local governments must be submitted through their local Traffic Safety Board, pursuant to Article 43 of the NY Vehicle and Traffic Law and Article 16-A of the NY Executive Law. Grants for the upcoming 2005 Federal Fiscal Year will run from October 1, 2004 to September 30, 2005. Grant applications must be received by the GTSC on or before May 15, 2004.

Applications, instructions and guidelines are available online at www.safeny.com. Applications can also be obtained by contacting the GTSC at (518) 474-5111 or Fax (518) 473-6946.

Homeless Housing Assistance Program

The Homeless Housing and Assistance Corporation (HHAC) and the New York State Office of Temporary and Disability Assistance anticipate issuing the 2004-2005 Request for Proposals (RFP) for the Homeless Housing and Assistance Program (HHAP) on or about February 24, 2004. Under HHAP, the HHAC is authorized to provide grants and loans for acquisition, construction and rehabilitation in order to expand the supply of housing for low income persons who are, or would otherwise be, homeless. A homeless person is defined as an undomiciled person (whether alone or as a member of a family) who is unable to secure permanent and stable housing without special assistance, as determined by the Commissioner of OTDA. The

anticipated HHAP appropriation for State Fiscal Year 2004-2005 is \$30 million, of which \$5 million shall be targeted for projects housing homeless persons with AIDS. Funding will be made available subject to the enactment of the SFY 2004-05 State Operations and Aid to Localities Budget, including an appropriation for HHAP.

Applications will be accepted through April 26, 2004 for funding under the Homeless Housing and Assistance Program. Not-for-profit corporations and their subsidiaries and charitable organizations, as well as municipalities, public corporations, and public housing authorities are eligible to apply for HHAP funding. Funding is available to bidders statewide. Awards will be based upon a combination of demonstrated need, organizational capacity and experience, cost effectiveness and other criteria outlined in the RFP.
