The requirement for labor and material and performance bonds may be waived on a bid under \$200,000 on a single trade project.

The State intends to expedite award of this contract and the contractor shall be prepared to proceed with the Work accordingly. Bidders are warned that time is of the essence of the contract and completion of the work must be within the time stated in section 01110 of the specifications. Due to the tightness of the construction schedule, bidders should consider the necessity for an increased work force and shift operations.

The only time prospective bidders will be allowed to visit the job

site to take field measurements and examine existing conditions of the project area will be at 1:00 p.m. on Aug. 26, 2004 in the Front Entrance of the School. Prospective bidders are urged to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions, and security provisions will apply and all vehicles will be subject to search.

For assistance pertaining to the site visit only, please phone Christine Thompson at (585) 589-4854.

It is the policy of the State and the Office of General Services to encourage minority business enterprise participation in this project by contractors, subcontractors and suppliers, and all bidders are expected to cooperate in implementing this policy.
