PUBLIC NOTICE

Department of State
Routine Program Change Notice

PURSUANT to 15 CFR 923. 84(b), the New York State Department of State (DOS) has submitted a routine program change to the federal Office of Ocean and Coastal Resource Management (OCRM). The DOS considers this action to be routine and requests OCRM's concurrence in this determination. The change to the New York State Coastal Management Program (CMP) covered by this request is the incorporation of the City of Watervliet Local Waterfront Revitalization Program into the State's CMP.

A major component of the State's CMP is the provision that local governments be allowed to prepare Local Waterfront Revitalization Programs, which further detail and make geographically specific the State's coastal policies. Each local program will be reviewed for consistency with the State's CMP and approved if it meets the guidelines established in the State CMP and Article 42 of the NYS Executive Law.

The Watervliet Local Waterfront Revitalization Program will serve as a long term management program for the City's Hudson River waterfront resources. The program focuses on expanding shoreline public access opportunities.

Copies of the Local Waterfront Revitalization Program are available for review at the office of the Division of Coastal Resources, NYS Department of State, 41 State Street, Albany, NY; and the municipal offices of the City of Watervliet, 2 - 15th Street, Watervliet, NY 12189.

Any comments on whether or not the action constitutes a routine program change should be submitted by October 4, 2005 to: John King, Office of Ocean and Coastal Resource Management, Coastal Programs Division, N/ORM3, SSMC4, 11th Floor, 1305 East-West Highway, Silver Spring, MD 20910.
