PUBLIC NOTICE Department of State

PURSUANT to 15 CFR 923.84(b), the New York State Department of State (DOS) has submitted a routine program change to the federal Office of Ocean and Coastal Resource Management (OCRM). The DOS considers this action to be routine and requests OCRM's concurrence in this determination. The change to the New York State Coastal Management Program (CMP) covered by this request is the incorporation of a minor amendment to the City of New York Local Waterfront Revitalization Program into the State's CMP.

A major component of the State's CMP is the provision that local governments be allowed to prepare local waterfront revitalization programs which further detail and make geographically specific the State's coastal policies. Each local program will be reviewed for consistency with the State's CMP and approved if it meets the guidelines established in the State CMP and Article 42 of the NYS Executive Law.

The amendment consists of a minor change to the boundary of the City of New York Local Waterfront Revitalization Program. The boundary change would incorporate a small stretch of the Bronx River and the eastern bank of the river, generally to Bronx Boulevard. This small stretch of the Bronx River is the only portion of the river within the City of New York not encompassed by the presently approved boundary of the City of New York Local Waterfront Revitalization Program.

Copies of the boundary change map are available for review at the offices of the New York State Department of State, Division of Coastal Resources, 41 State Street, Albany, New York.

Any comments on whether or not the action constitutes a routine program change should be submitted by February 17, 2005 to: John King, Office of Ocean and Coastal Resource Management, Coastal Programs Division, N/ORM3, SSMC4, 11th Floor, 1305 East-West Highway, Silver Spring, MD 20910.

Further information on this action may be obtained from: Kevin Millington, Division of Coastal Resources, New York State Department of State, 41 State Street, Albany, NY 12231.
