MUNICIPALITIES AND NOT-FOR-PROFIT 501 (C)(3) ORGANIZATIONS

Community-Based Adolescent Pregnancy Prevention

The New York State Department of Health (DOH) is issuing a Request for Applications (RFA) for the Community-Based Adolescent Pregnancy Prevention (CBAPP) program. This RFA represents one of the many steps the Department of Health is taking to achieve its vision of reducing adolescent pregnancy. Applications will be accepted from municipalities, such as city and county health departments, and not-for-profit 501 (c)(3) organizations, including, but not limited to, community-based health and human service providers, schools, and local health and human service agencies with the capacity, competence and experience to provide the services described in the RFA.

Applicants must demonstrate the ability to serve populations residing in high pregnancy and birth rate areas/zip codes. Applicants not approved under Article 28 of the Public Health Law to provide family planning services must document their ability to provide access to these services through referrals.

Applications will be accepted through May 4, 2005 for approximately \$6,000,000 in contracts with municipalities and not-for-profit organizations to provide abstinence-based education and youth development/asset building activities and ensure access to comprehensive reproductive health services. Applicants may apply for up to \$300,000 each.

To request application materials, contact Marianne Heigel at mhh01@health.state.ny.us or (518)473-6172.

extends from Battery Park in Waterford, Saratoga County to Battery Park, Manhattan.

This year, \$125,000 is available in total funding for trail planning, construction and amenities, historic landscape preservation, regional and local partnership development as well as many other resource enhancement and economic development projects. Average grants range from \$1,000 - \$10,000 for projects involving or located in one municipality, and up to \$25,000 for projects involving or located in two or more municipalities.

Projects that will be considered for funding through this year's grant program include:

- Land Trail Projects that implement the Draft Greenway Trail Vision Plan. This may include capital projects to construct or improve a land trail, or plans and designs for a land trail, specifically those that fill an identified "gap" in the Greenway Trail System.
- "Main Street" or "Downtown" Revitalization Projects including capital projects or promotional tools that enhance or improve urban, village or town centers.
- Agricultural and Open Space Promotion or Preservation Projects, including capital projects or promotional tools that will preserve and promote Valley agricultural, the marketing and sale of Valley farm products, the preservation of open space or the preservation of habitats for purposes that may include traditional sports such as hunting and fishing.

Applications for the Conservancy Small Grants Program are available by contacting Jessica DesLauriers, Greenway Trails Coordinator, at 518-473-3835 or by email at jessica.noel.deslauriers@hudsongreenway.state.ny.us. Applications can also be downloaded at the Greenway's website by visiting www.hudsongreenway.state.ny.us. All applications must be delivered or postmarked by March 25, 2005.
