PUBLIC NOTICE
Department of State
F-2005-0479(DA)

Date of Issuance - September 21, 2005

The New York State Department of State (DOS) is required by Federal law to provide timely public notice for the activity described below, which is subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The U.S. Military Academy has determined that the proposed activity complies with and will be conducted in a manner consistent to the maximum extent practicable with the approved New York State Coastal Management Program. The consistency determination and accompanying public information and data is available for inspection at the New York State Department of State offices located at 41 State Street in Albany, New York.

In F-2005-0479 (DA), the U.S. Military Academy is proposing the construction and use of a total of four (4) full-sized, synthetic (artificial turf) athletic fields: two (2) fields for rugby (one for practice and one for competition/games), and two (2) fields for soccer (one for practice and one for competition/games). In addition, field lighting and scoreboards would be erected for each field, and two, 2-story, multi-purpose buildings would be constructed (one for each sport). Each building would be approximately 14,600 square feet (gross interior space), and would contain permanent seating (grandstands) for approximately 550 to 600 spectators, along with team locker rooms, showers, bathrooms, public rest rooms, meeting rooms, coaches rooms, and other multi-purpose rooms. The Project site at Target Hill Field

encompasses approximately 12.8 acres.

The purpose of the Project is to construct separate intercollegiate rugby and soccer athletic facilities at West Point. The Project would contribute toward returning the Plain to its historical use and appearance, when athletics first began at the West Point, by removing intercollegiate rugby and soccer athletic activities from the Plain.

Any interested parties and/or agencies desiring to express their views concerning the above proposed activity may do so by filing their comments, in writing, no later than 4:30 p.m., 15 days from the date of publication of this notice, or October 6, 2005.

Comments should be addressed to the Division of Coastal Resources and Waterfront Revitalization, New York State Department of State, 41 State Street, Albany, New York 12231. Telephone (518) 474-6000; Fax (518) 473-2464.

This notice is promulgated in accordance with Section 306(d)(14) of the Federal Coastal Zone Management Act of 1972, as amended.
