### **Adolescent Pregnancy Prevention and Services (APPS) Fund**

Funds through the Adolescent Pregnancy Prevention and Services (APPS) to provide a comprehensive array of services to at-risk, pregnant, and parenting adolescents in communities with high rates of adolescent pregnancies.

Applications will be accepted through: A completed application must be received no later than 5:00 p.m. September 11, 2006.

#### Description:

- Number of dollars or items. Subject to availability of funds, approximately \$7.32 million in Temporary Assistance to Needy Families (TANF) resources
- Application restrictions (if any). Eligible applicants must be identified by the local CSP Community Council to serve as the community administrator of funds (Lead Agency), and targeting individuals located in high pregnancy rate zip codes listed in Part 3, Attachment 8 (note exception on Part 1, p.9).
- Any miscellaneous information you feel might assist the readers in determining whether or not they should request an application for this particular grant. This RFP requires a coordinating body (Community Council) and encourages the use of subcontracting with organizations to provide a comprehensive array of local services that contribute to youth asset development (Part 3, Attachment 9). Applicants must therefore provide a list of Community Council members, a Community (pregnancy prevention) Needs Analysis conducted within the last year, and a proposed "Matrix of Services" indicating funded and non-funded service providers as proof of community collaboration (Part II, Required Forms p. 15). Note that all applicants must provide letters of intent, a project work plan, and a budget from proposed subcontractors.

MUNICIPALITIES, SOIL AND WATER CONSERVATION DISTRICTS, AND NOT-FOR-PROFIT CORPORATIONS

### **Environmental Protection Fund; Bond Act**

The New York State Department of Environmental Conservation is announcing funds for water quality improvement projects addressing non-agricultural nonpoint source abatement and control, Municipal Separate Storm Sewer Systems (MS4s) Phase II Stormwater Permit Implementation, Water Quality Management, Municipal Wastewater Treatment, and Aquatic Habitat Restoration in the following funding categories:

#### Environmental Protection Fund

##### Water Quality Improvement Projects

The Budget for State Fiscal Year 2006 - 2007 includes \$7 million for the state share costs of wastewater treatment improvement projects undertaken by municipalities to upgrade municipal systems to meet stormwater discharge requirements with priority given to systems that are in violation of Title 8 of Article 17 of the Environmental Conservation Law and aquatic habitat restoration projects undertaken by municipalities and not-for-profit corporations for aquatic habitat restoration projects as defined in Sub-division 1 of Section 56-0101 of the Environmental Conservation Law.

#### Statewide Nonagricultural Nonpoint Source

The Budget for State Fiscal Year 2006 - 2007 includes \$5.5 million from the New York State Environmental Protection Fund (EPF) for nonagricultural nonpoint source abatement and control projects. These funds will be available for:

- assistance in implementing Nonagricultural Nonpoint Source management practices.
- assistance to regulated Municipal Separate Storm Sewer Systems (MS4s) in implementing Stormwater Phase II General Permit (GP-02-02) requirements.
- comprehensive watershed-based Water Quality Management designed to address the reduction and control of nonpoint source pollution and the improvement of water quality in waterbodies identified on the Priority Waterbodies List.

#### Bond Act

If Bond Act or other funds become available in State Fiscal Year 2006-07, these funds may be used for projects received in this solicitation.

Applications for projects submitted in April 2005 (Round 7) and March 2006 (Round 8) will be rolled over and considered in Round 9.

Applications must be postmarked no later than, October 20, 2006. No hand delivered, facsimile, or electronic applications will be accepted.

MUNICIPALITIES, NOT-FOR-PROFITS, STATE AND FEDERAL  
AGENCIES, INDIAN TRIBAL GOVERNMENTS AND OTHER  
PUBLIC AGENCIES AND AUTHORITIES

**Statewide Comprehensive Outdoor Recreation Plan (SCORP) or  
the State Recreational Trail Plan**

Municipalities, not-for-profits, state and federal agencies, Indian tribal governments and other public agencies and authorities may apply for funds under the Federal Highway Administration's Safe Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), Recreational Trails Program.

Eligible projects include those involving the acquisition, new development, renovation or maintenance of trails or trail related facilities which will further develop projects or goals identified in the Statewide Comprehensive Outdoor Recreation Plan (SCORP) or the State Recreational Trail Plan.

Competitive applications to receive aid are required and will be accepted through October 13, 2006 for approximately \$2,000,000 of local assistance grants.

This is a matching grant program, therefore grant recipients will be expected to provide at least 20 percent match to these awards. In order to provide as many opportunities as possible, the minimum grant award is \$5,000 and the maximum is \$100,000.
