Food and Agriculture Industry Development Program

Applications will be accepted through August 28, 2007 for matching fund assistance under the Food and Agriculture Industry Development Program. Such funds are intended to support proposals that would implement innovative and low risk approaches to the research, development, production, processing, and distribution of food and agricultural products which capitalize on the State's unique resources and strategic location near significant markets. Eligible applicants include public and private agencies and organizations, business and industry, educational institutions, local governments, and individuals. Proposals involving new product development; alternative production, processing, distribution and marketing methods or technologies; the introduction of high technologies; or organizational methods that further the development of the food and agricultural industry in New York State are eligible for funding. For the purposes of this program, food and agriculture industry projects shall include those involving farm woodland or freshwater aquatic products produced in either natural or man-made water bodies or controlled structured. Projects for which funding is sought should have a timeframe for completion of approximately one year or less. The maximum award to any one applicant shall not exceed \$60,000. Grant recipients must match awards made under this program with at least equal amounts of cash, in-kind services, or other resources including, subject to limitations, indirect and overhead costs.

For an application, contact: Meg McCabe at the above address or call (518) 457-2195, e-mail: meg.mccabe@agmkt.state.ny.us, or visit the "Funding Opportunities" section of the Department's website at www.agmkt.state.ny.us

**COMMUNITY GROUP(S)
Technical Assistance Grants (TAG)**

Applications are continuously being accepted for DEC Environmental Remedial Technical Assistance Grants (TAG). TAGs are awarded to qualified applicants on a first-come, first-served basis, in the order in which complete applications are received. There is no matching contribution required on the part of the grant recipient.

Under the TAG program, eligible community groups may apply to receive grants for up to \$50,000 per site to obtain independent technical assistance about State Superfund Program and Brownfield Cleanup Program sites that pose a significant threat to public health or the environment. Eligible community groups must be non-responsible parties incorporated as not-for-profit corporations under section 501(c)(3) of the Internal Revenue Code. A qualifying group must certify that its membership represents the interest of the community affected by the site, and that its members' health, economic well-being or enjoyment of the environment are potentially threatened by the site.

Portions of technical assistance work may be subcontracted based on unit price bids/quotes for professional services to subconsultants, subject to the guidance from and approval of the Department.

The TAG recipient and its contractors must make Good Faith Efforts to subcontract a portion of the Contract amount to Minority and Women Owned Business Enterprises (M/WBE). The percentage goals for MBE and WBE participation are 8.8% for Equipment, Supplies and Services in the Upstate NYSDEC Regions 3-9. For New York City and Long Island NYSDEC Regions 1 & 2, MBE utilization goal percentages are 18.8% for Equipment, Supplies and Services; for WBE these goal percentages are 20.5% for Equipment, Supplies and Services. The TAG

recipient and its contractors must make Good Faith Efforts to employ 10% minority group members and 10% women for a portion of the workforce hours required to perform the work under this Contract. Appendix B of the State Assistance Contract further defines the M/WBE and EEO provisions required by Executive Law, Article 15.

If the grant recipient determines that the above goals cannot be met, a written justification must be submitted to the Division of Management and Budget Services, Minority and Women's Business Programs Unit. A list of Certified M/WBE enterprises can be obtained via the internet from the NYS Department of Economic Development at <http://205.232.252.35/>

**MUNICIPALITIES, COMMUNITY BASED ORGANIZATIONS, AND MUNICIPALITIES AND COMMUNITY BASED ORGANIZATIONS ACTING IN COOPERATION
Brownfield Opportunity Areas Program**

The Brownfield Opportunity Areas Program provides municipalities and community based organizations with assistance, up to 90 percent of the eligible costs, to complete revitalization plans and implementation strategies for areas or communities affected by the presence of multiple brownfield sites and site assessments for strategic sites.

ELIGIBLE ACTIVITIES- Communities may apply to enter the program at the most appropriate of the three program steps described below leading to New York State's designation of the Brownfield Opportunity Area:

Step 1: Pre-Nomination Study - Pre-Nomination Study - The Pre-Nomination Study provides a preliminary description and analysis of the proposed Brownfield Opportunity Area. The Pre-Nomination Study will be reviewed by the New York State Departments of State and Environmental Conservation to determine if a community should proceed with a Nomination to designate a Brownfield Opportunity Area.

Step 2: Nomination - The Nomination provides an in-depth and thorough description and analysis, including an economic and market trends analysis, of existing conditions, opportunities, and reuse potential for properties located in the proposed Brownfield Opportunity Area with an emphasis on the identification and reuse potential of strategic brownfield sites that are catalysts for revitalization.

Step 3: Implementation Strategy - The Implementation Strategy provides a description of the techniques and actions to implement the revitalization plan. Site assessments on strategic brownfield sites may be eligible for funding if environmental data is required.

ELIGIBLE APPLICANTS - Applicants that are eligible to apply for a grant include:

New York State Municipalities - New York State municipalities are defined as: cities; villages; towns; counties; local public authorities; local public benefit corporations; school districts; improvement districts; and Indian nations or tribes.

Community Based Organizations - Community based organizations are defined as: not-for-profit corporations that are incorporated under Section 501(c)(3) of the Internal Revenue Code whose stated mission

is to promote community revitalization within the geographic area in which the community based organization is located; has 25 percent or more of its Board of Directors residing in the community in such area; and represents a community with a demonstrated financial need as indicated by high unemployment, low resident incomes, depressed property values, and/or high commercial vacancy rates.

Municipalities and Community Based Organizations Acting in Cooperation - Two or more eligible applicants may, and are encouraged to, submit a joint application.

SOURCES TO OBTAIN A GRANT APPLICATION

Web Address - Copies of this application are available at the Department of State's web site http://www.nyswaterfronts.com/grantapps_BOA.asp

MUNICIPALITIES, AND MUNICIPALITIES AND COMMUNITY BASED ORGANIZATIONS ACTING IN COOPERATION

Environmental Restoration Projects Program; Title 5 of the 1996 Clean Water/Clean Air Bond Act (ERP)

This notice is to advertise the availability of State Assistance funding to municipalities for Environmental Restoration Projects to investigate and/or remediate hazardous substances on property held in title by a municipality. A municipality may obtain "temporary incidents of ownership" during a tax foreclosure proceeding for a property in order

to conduct such investigation. Applications are accepted on a continuous basis. The Environmental Restoration Program provides reimbursement of up to 90% of on-site eligible costs and up to 100% for off-site eligible costs and 50% for demolition costs. Funding was allocated for this Program under the 1996 Clean Water/Clean Air Bond Act. Funding is available until the allocation is committed.

Eligible applicants are New York State Municipalities. Municipalities are defined as a local public authority or public benefit corporation, county, city, town, village, school district, supervisory district, district corporation, improvement district within a county, city town or village, or Indian nation or tribe recognized by the State and the U.S. within a reservation wholly or partly within NY State boundaries, or any combination thereof. For purposes of the ERP, the term municipality includes a municipality acting in partnership with a community based organization. Community based organizations are defined as not-for-profit corporations, exempt from taxation under section 501(c)(3) of the internal revenue code whose stated mission is promoting reuse of brownfield sites within a specified geographic area in which the community based organization is located, which has twenty-five percent or more of its board of directors residing in the community in such area; and represents a community with a demonstrated financial need. Project eligibility requirements are detailed in enabling legislation and regulations (see 6NYCRR Subpart 375-4).

Portions of investigation and remediation activities may be subcontracted based on unit price bids/quotes for professional services to subconsultants, subject to guidance from and approval of the Department.

The recipient and its contractors must make Good Faith Efforts to subcontract a portion of the Contract amount to Minority and Women Owned Business Enterprises (M/WBE).
