Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest notice of intent to solicit offers through final award and approval of the Procurement Contract by OGS D&C and Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is

Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the new Legislative and State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form.
