Grants are available to operate social adult day services programs for functionally impaired older New Yorkers (i.e., 60 years of age or older). Social adult day services programs are defined as programs that provide a variety of long term care services to a group of individuals possessing functional impairments, whether due to physical or cognitive impairments, in a congregate setting and pursuant to an individualized service plan.

Funded programs must comply with Section 6654.20 of Title 9 of the New York Codes, Rules and Regulations and other requirements as established by the New York State Office for the Aging (NYSOFA).

The following describes key aspects of this funding opportunity:

- \$500,000 in funding is available; acceptable funding requests will be no less than \$35,000 and no more than \$85,000.
- The application process will be structured to promote statewide distribution of funds.
- Funding is available to cover operating expenses of new social adult day programs and existing programs not already receiving funding from NYSOFA under Section 215. However, an entity already receiving funding for a program may apply for funding for a different program at a different location.
- Funds will be awarded through contracts for the period January 1, 2008 – December 31, 2008.
- State reimbursement is available for 75% of allowable expenditures; 25% will be the responsibility of the applicant. The 25% match requirement may be waived based on the demonstrated financial need of a provider in accordance with procedures established by NYSOFA.
- These funds may not be used to supplant existing public or private funding that a program currently receives for social adult day services.

The RFA will be available on or about June 8th. To request a hard copy of the RFA contact: Maureen E. Kunkel at the above address or e-mail [maureen.kunkel@ofa.state.ny.us](mailto:maureen.kunkel@ofa.state.ny.us).
