PUBLIC NOTICE

Office of the State Comptroller

Pursuant to New York General Municipal Law Sections 216-c(9)(a), 219-h(8)(a), and 219-p(8)(a), the New York State Office of the State Comptroller (OSC) hereby gives notice of the following:

It is anticipated that the following two (2) Requests for Proposals (RFP) will be released by OSC to potential proposers on or about Wednesday, June 6, 2007.

RFP#07-01 for Administrative and Actuarial Services for Length of Service Award Programs for Volunteer Ambulance Workers and Volunteer Firefighters:

OSC is soliciting proposals from administrative service agencies wishing to act as the Program Administrator providing Administrative and Actuarial services for the Defined Contribution and Defined Benefit Length of Service Award Programs for volunteer ambulance workers and volunteer firefighters. All proposals must be submitted by an "administrative service agency". An "administrative service agency" must satisfy the statutory requirements of Sections 219-c(13) and 219-k(18) of the New York General Municipal Law (available via this link): <http://caselaw.lp.findlaw.com/nycodes/c48/a29.html>.

In general, the duties of the Program Administrator include, but are not limited to:

1. Presentation of plan information, including cost estimates, to prospective plan sponsors and participants;
2. Preparation and/or distribution of all forms and documents required for administration of the program;
3. Compilation and maintenance of records of personal data and service credit for participants;
4. Recording and processing contributions;
5. Compilation and maintenance of participant and sponsor account balances;
6. Approving, recording, and processing distributions;
7. Compliance with all Federal, State and local tax reporting and withholding requirements;
8. Providing information to plan sponsors concerning legal/tax issues;
9. Preparation and distribution of annual statements and reports to participants and local government sponsors;
10. Preparation of reports to the Comptroller or his designee relating to management of the program and status of contributions received, including any delinquent amounts;
11. Administration and oversight of the actuarial services necessary to appropriately maintain the Defined Benefit program; and
12. Working in conjunction with the Program Administrator to promote the Programs and educate Plan Sponsors and participants.

RFP07-02 for Financial Organization (Trustee) Services for Length of Service Award Programs for Volunteer Ambulance Workers and Volunteer Firefighters:

OSC is soliciting proposals from financial organizations wishing to serve as Trustee for the Defined Contribution and Defined Benefit Service Award Programs for volunteer ambulance workers and volunteer firefighters. All proposals must be submitted by a "financial organization". A "financial organization" must satisfy the statutory requirements of Sections 219-c(14) and 219-k(19) of the New York General Municipal Law (available via this link): <http://caselaw.lp.findlaw.com/nycodes/c48/a29.html>.

In general, the duties of the Trustee include, but are not limited to:

1. Custody and investment of Program assets;
2. Periodic valuation of trust assets and allocation of income and expenses to participant and Sponsor accounts;
3. Payment of distributions;
4. Compliance with all Federal, State, and local tax reporting and withholding requirements;
5. Holding the assets in trust in a segregated custody account at a bank or trust company located in and authorized to do business in New York State;
6. Receiving and processing contributions;
7. Making approved payments to Participants and Beneficiaries and other approved disbursements; and
8. Working in conjunction with the Trustee to promote the Programs and educate Plan Sponsors and participants.

These procurements are subject to, and shall be conducted in accordance with, the OSC Executive Order on Procurement Integrity and OSC Procurement Integrity Procedures, both of which are available in full in the RFPs or upon email request. All inquiries concerning these procurements must be addressed to Mr. Larry Appel, Director of Financial Administration, or his designee(s) at OSC, at rpf@osc.state.ny.us.

Notice of Routine Program Change Request
for the Incorporation of the Town of Rhinebeck
Local Waterfront Revitalization Program
into the New York State Coastal Management Program

PURSUANT to 15 CFR 923. 84(b), the New York State Department of State (DOS) is submitting a routine program change request to the federal Office of Ocean and Coastal Resource Management (OCRM). The DOS considers this action to be a routine program change (to the State's approved Coastal Management Program) and requests OCRM's concurrence in this determination. The change to the New York State Coastal Management Program (CMP) covered by this request is the incorporation of the Town of Rhinebeck Local Waterfront Revitalization Program into the State's CMP.

A major component of the State's CMP is the provision that local governments be allowed to prepare local waterfront revitalization programs which further detail and make geographically specific the State's coastal policies. Each local program is reviewed for consistency with the State's CMP and approved if it meets the guidelines established in the State CMP and Article 42 of the NYS Executive Law.

The Town of Rhinebeck has completed preparation of a Local Waterfront Revitalization Program (LWRP). The LWRP is a locally prepared, comprehensive land and water use plan for its natural, public, and developed waterfront resources. The Town of Rhinebeck prepared its LWRP with assistance from the New York State Department of State and in accordance with the New York State Waterfront Revitalization of Coastal Areas and Inland Waterways Act and the New York State Coastal Management Program. The Town of Rhinebeck LWRP is a comprehensive coastal management program that is based on the policies of the New York State Coastal Management Program. It provides a comprehensive framework within which critical waterfront issues can be addressed and waterfront improvement projects can be pursued and implemented. The Rhinebeck Local Waterfront Revitalization Program will serve as a long term management program for the Town's Hudson River waterfront resources. The program focuses on expanding public access opportunities and protection of sensitive coastal resources.

The Town of Rhinebeck LWRP incorporates the 44 New York State Coastal Management Program Policies. Of the 44 State Coastal Policies contained in the Rhinebeck LWRP, 41 are explained as applicable, and 3 are identified as not applicable. Accompanying the State Coastal Policies in the Rhinebeck LWRP, there are 13 local policies aimed at providing greater specificity and applicability for the Rhinebeck coastal area. The Town's LWRP policies will be the basis for consistency determinations made by Town, State, and Federal agencies for actions in or affecting the Town's Coastal Area. To the extent that the Town LWRP policies differ from the State Coastal Policies, the local policies are more specific, identifying location and type of land and water uses to be accommodated within the Town's coastal area. Where appropriate, guidelines and standards are included in the Rhinebeck LWRP to assist in applying the State and local policies.

Because a LWRP is an official document and program with provisions that are binding on numerous local, State, and Federal agencies for a broad range of activities, it is necessary to have a thorough process of local, State, and Federal review of the LWRP prior to local adoption and Department of State approval of each LWRP. As such, the Rhinebeck LWRP was reviewed during a required 60-day review and comment period from August 21, 2006 to October 20, 2006. At the beginning of this official review period, copies of the Rhinebeck LWRP were distributed to local, regional, State, and Federal agencies for their review. At the close of the required 60-day review period, the Department of State coordinated responses to comments received with the Town of Rhinebeck, and appropriate modifications to the LWRP document were made to address all comments received. The Rhinebeck Town Board then adopted their LWRP on February 12, 2007. In addition to the LWRP, the Rhinebeck Town Board adopted all necessary LWRP-associated implementing local laws. The New York State Secretary of State then approved the Town of Rhinebeck LWRP on April 24, 2007 pursuant to the New York State Waterfront Revitalization of Coastal Areas and Inland Waterways Act (NYS Executive Law, Article 42).

A copy of the approved Town of Rhinebeck Local Waterfront Revitalization Program is available for review in Albany at the Department of State Offices, Division of Coastal Resources, 41 State St., 8th Fl., Albany, NY.

Any comments on whether or not the action constitutes a routine program change (to the State's approved Coastal Management Program) should be submitted by June 29, 2007 to: Carleigh Trappe, U.S. Office of Ocean and Coastal Resource Management, Coastal Programs Division, SSMC4, N/ORM3, 1305 East-West Highway, Silver Spring, MD 20910.

Further information on this routine program change request may be obtained from: Jeffrey Beach, Division of Coastal Resources, Department of State, 41 State St., 8th Fl., Albany, NY 12231-0001
