PUBLIC NOTICE

Department of State
F-2007-0620(DA)

Date of Issuance -September 19, 2007

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program. The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at 41 State Street in Albany, New York.

In **F-2007-0620(DA)**, the **United States Coast Guard, 300 Metro Center Boulevard, Warwick, RI** is proposing dredging and mooring and berthing structures construction to allow the United States Coast Guard (USCG) to accommodate the USCG vessel Medium Endurance Cutter and Island Class-Patrol Boat with drafts of 14 feet and 7 feet 4 inches, respectively.

The project consists of dredging a berth, approximately 260 feet long and 50 feet wide, adjacent to the existing Pier C and granite block seawall on the eastern side of the property. The berth will be dredged to -18 feet mean low water elevation with 1 foot of overdepth. The total project volume is approximately 5,500 cubic yards.

Mooring and berthing of vessels will be facilitated by constructing a concrete mooring/turning dolphin, and a steel frame fender system. The 13 foot by 13 foot concrete mooring dolphin will be constructed on steel pipe piles seaward of Pier C. A (60 feet 10 inches by 4 foot) steel catwalk will provide access to the dolphin from Pier C.

Additional work associated with the application includes raising the elevation of Pier C and adding scour protection to the southeast corner of the granite block seawall. Pier C will be raised to elevation +10.5 Mean Lower Low Water and 30+ linear feet of scour protection will be added to the toe of the granite block seawall.

Any interested parties and/or agencies desiring to express their views concerning the above proposed activity may do so by filing their comments, in writing, no later than 4:30 p.m., **15 days from the date of publication of this notice, or, October 4, 2007.**

Comments should be addressed to the Division of Coastal Resources and Waterfront Revitalization, Department of State, 41 State St., Albany, NY 12231. Telephone (518) 474-6000; Fax (518) 473-2464.

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
F-2007-0654 (DA) and F-2007-0820 (DA)
Date of Issuance -September 19, 2007

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activities comply with and will be conducted in a manner consistent with the approved New York State Coastal Management Program. The applicant's consistency determination and accompanying public information and data are available for inspection at the New York State Department of State offices located at 41 State Street in Albany, New York.

In **F-2007-0654**, the **U.S. General Services Administration, 10 Causeway Street, Boston, MA**, is proposing the conveyance of the Stepping Stones Lighthouse from the United States to the Town of North Hempstead/BTDC. Stepping Stones Lighthouse is located offshore Kings Point in the Town of North Hempstead, Nassau County, on approximately 0.75 acres of rock in Long Island Sound. The National Historic Lighthouse Preservation Act of 2000 makes historic lighthouse properties that are excess to the needs of the U.S. Coast Guard, Department of Homeland Security, available at no cost to other federal agencies, state and local governments and agencies, and other organizations outlined in the Act. There are conditions for the transfer that would ensure continued maintenance and public access to and use of the lighthouse.

In **F-2007-0820** the **U.S. General Services Administration, 10 Causeway Street, Boston, MA**, is proposing the conveyance of the Oswego West Pierhead Light from the United States to the City of Oswego. The Oswego West Pierhead Light is located at the end of a 2000 foot breakwall along Lake Ontario, in the City of Oswego, Oswego County. The National Historic Lighthouse Preservation Act of 2000 makes historic lighthouse properties that are excess to the needs of the U.S. Coast Guard, Department of Homeland Security, available at no cost to other federal agencies, state and local governments and agencies, and other organizations outlined in the Act. The City of Oswego has actively pursued public funding and private donations to facilitate the restoration of the Lighthouse and there will be conditions for the transfer that would ensure continued maintenance and public access to and use of the lighthouse.

Any interested parties and/or agencies desiring to express their views concerning either of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., **15 days from the date of publication of this notice, or, October 4, 2007.**

Comments should be addressed to the Division of Coastal Resources and Waterfront Revitalization, Department of State, 41 State St., Albany, NY 12231. Telephone (518) 474-6000; Fax (518) 473-2464.

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.
