## **PUBLIC NOTICE**

Town of North Hempstead  
Solid Waste Management Authority  
Notice of Issuance of a  
Final Request for Proposals

Please take notice that the Town of North Hempstead through the Town of North Hempstead Solid Waste Management Authority (the "Authority") shall make available at the Authority's offices located at 802 West Shore Road, Port Washington, New York, a Final Request for Proposals pursuant to Section 120-w of the New York State General Municipal Law for transfer station operation and maintenance, and solid waste transport, recycling and disposal ("RFP"). Copies of the RFP shall be available to prospective proposers on and after February 20, 2008 for a NON-REFUNDABLE fee of \$75.00, payable by cash, check or money order to the North Hempstead Solid Waste Management Authority. Proposers are requested to register with the Authority in order to receive all relevant communications and addenda concerning the RFP. A copy of the RFP will be filed with the Town Clerk, and additional copies will be made available to the general public free of charge, but no assurance can be given that further communications or addenda will be available to a recipient absent registration and payment of the fee.

In this RFP, the Authority seeks proposals for the operation and maintenance of its transfer station, and for the loading, transportation, recycling and disposal of the Authority's solid waste and recyclables for a term commencing on May 1, 2010 and extending for a minimum term of 10 years with up to three five-year renewal options. Proposers will be responsible for the operation and maintenance of the transfer station located at 999 West Shore Road in Roslyn, New York with the exception of the scale, scalehouse and former shredder/baler building (old incinerator building), including operating, maintaining, and repairing all equipment, including rolling stock and containers necessary for the safe and efficient operation of the transfer station. The current New York State Department of Environmental Conservation permit limit for solid waste and recyclables for the transfer station is 1,090 tons per day. Proposers will be required to provide hauling services for all solid waste and recyclables delivered to the facility. Proposers will also be required to process and market all recyclables delivered to the facility. Proposers will be required to furnish all labor, insurance, bonds and equipment necessary to perform the contract services.

Proposals in response to the RFP will be accepted by the Authority no later than 11:00 a.m. on Friday, April 25, 2008 at the Authority's offices located at 802 West Shore Road, Port Washington, New York. After review of all proposals, the Authority will contact the successful proposer for the negotiation and execution of a formal contract. Please contact the Executive Director of the Authority, Michael P. Engelmann, at the Authority's offices located at 802 West Shore Road, Port Washington, New York, with questions.

The Authority reserves the right to reject and declare invalid any or all proposals and to waive any informalities or irregularities in the proposals received, all in the best interests of the Authority.

The Authority encourages minorities and women-owned business to participate in the procurement process.

## PUBLIC NOTICE

Department of State  
F-2008-0024 (DA)

Date of Issuance - February 20, 2008

The New York State Department of State (DOS) is required by Federal law to provide timely public notice for the activity described below, which is subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The U.S. Coast Guard has determined that the proposed activity complies with and will be conducted in a manner consistent to the maximum extent practicable with the approved New York State Coastal Management Program. The consistency determination and accompanying public information and data is available for inspection at the New York State Department of State offices located at 41 State Street in Albany, New York.

In F-2008-0024 DA, the United States Coast Guard of 300 Metro Center Blvd., Warwick, RI 02886, is proposing to rebuild Hog Back Light 14 in the Hells gate region of the East River, located just south of the Queensboro Bridge in Queens County. The existing concrete foundation will be reused in its current position. Approximately 200 tons of additional riprap will be placed on the south side of the foundation and around the foundation itself to better protect the aid from scouring. Finally, a newly fabricated tower and associated electrical equipment will be reattached to the existing foundation.

Any interested parties and/or agencies desiring to express their views concerning the above proposed activity may do so by filing their

comments, in writing, no later than 4:30 p.m., 15 days from the date of publication of this notice, or March 6, 2008.

Comments should be addressed to the Division of Coastal Resources and Waterfront Revitalization, New York State Department of State, One Commerce Plaza, Albany, NY 12231, Telephone (518) 474-6000; Fax (518) 473-2464.

This notice is promulgated in accordance with Section 306(d)(14) of the Federal Coastal Zone Management Act of 1972, as amended.
