The requirement for labor and material and performance bonds may be waived on a bid under \$200,000 on a single trade project.

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest notice of intent to solicit offers through final award and approval of the Procurement

Bidders responding to this Advertisement must familiarize themselves with the new Legislative and State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Low bidders who cannot meet these provisions may be subject to disqualification and forfeiture of the bid security.

The State intends to expedite award of this contract and the contractor shall be prepared to proceed with the work accordingly. Bidders are warned that time is of the essence of the contract and completion of the work must be within 210 days after the agreement is approved by the Comptroller.
