PUBLIC NOTICE

Department of Health

Pursuant to 42 CFR section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX Medicaid State Plan for prescription drugs dispensed in accordance with State and federal requirements. Effective July 1, 2008 reimbursement for multiple source prescription drugs for which an upper limit has been set by the federal centers for Medicare and Medicaid services shall be the lower of: (A) an amount equal to the specific upper limit set by such

federal agency for the multiple source prescription drug; (B) the estimated acquisition cost of such drug to pharmacies which, for purposes of this paragraph, shall mean the average wholesale price of a prescription drug based on the package size dispensed from, as reported by the prescription drug pricing service used by the department, less twenty-five (25) percent thereof; (C) the State Maximum Acquisition Cost (SMAC), if any; or (D) the dispensing pharmacy's usual and customary price charged to the general public.

Effective July 1, 2008 for sole or multiple source brand name drugs the Estimated Acquisition Cost (EAC) is defined as Average Wholesale Price (AWP) minus sixteen and twenty-five one hundredths (16.25) percent.

For multi-source generic drugs without a federal upper limit price, reimbursement remains as currently defined without change.

For approved HIV pharmacies the EAC remains as currently defined without change.

The estimated annual aggregate savings in Medicaid expenditures is approximately \$130.9 million for the first year of implementation.

Copies of the proposed state plan amendment are on file in each local (county) social services district and are available for public review.
