NOT-FOR-PROFIT ORGANIZATIONS; LOCAL GOVERNMENT UNITS; PARTNERSHIPS OR CONSORTIUMS  
**Creating Tobacco Free Systems of Care for People with Serious and Persistent Mental Illness RFA**

The New York State Department of Health is requesting applications from organizations with demonstrated experience working with consumers of mental health treatment services, or mental health advocates and treatment facilities, to improve the quality of life for individuals with severe and persistent mental illness by promoting tobacco-free systems of care and tobacco free grounds where care is

provided for this population. The awardees will work with multiple sites to 1) create and implement tobacco free systems of care to ensure access to adequate and appropriate medical and psychosocial treatment for tobacco dependence for people with serious and persistent mental illness; and 2) establish tobacco free grounds at treatment and/or support sites. Awardees will develop programs, policies and procedures and implement them at multiple sites in NYS.

It is anticipated that total funding available for this initiative is approximately \$1.5 million annually for three years. It is expected that up to 3 contracts will be awarded. This Request for Applications may be found in the New York State Department of Health's website at: <http://www.nyhealth.gov/funding>.

Applications will be accepted through December 3, 2008. Eligible applicants include: (1) not-for-profit organizations funded or licensed by the New York State Office of Mental Health (NYSOMH) that operate programs serving adults diagnosed with serious and persistent mental illness; (2) not-for-profit mental health advocacy and stakeholder organizations; (3) local government units in New York State; and (4) a partnership or consortium of eligible providers and/or local government units with one agency or local government unit designated as the lead. State operated-programs are not eligible to respond to this RFA.
