NOTICE OF PUBLIC HEARING

Department of Housing and Community Renewal
New York State 2011-2015 Consolidated Plan

To participate in certain federal community development and housing programs, the State of New York must prepare a 5-year Consolidated Plan and an annual Action Plan and provide opportunities for citizens to participate in its development. As part of this process, the State will conduct public hearings to obtain the views of citizens, public agencies, local governments, and other interested parties on the housing and non-housing community development needs of the State before a draft Consolidated Plan for 2011-2015 and a draft annual Action Plan for 2011 are prepared.

The Consolidated Plan and the annual Action Plan focus principally on four federal programs: the New York State Community Development Block Grant Program; the HOME Investment Partnerships Program; the Housing Opportunities for Persons with AIDS Program; and the Emergency Solutions Grants Program.

The Consolidated Plan will be a five-year strategy for addressing the housing and non-housing community development needs of New York communities. The Consolidated Plan will set forth long-term goals for the development of viable communities by providing decent housing, a suitable living environment, and expanding economic opportunities, principally for low- and moderate-income persons. New York State must submit a completed Consolidated Plan to the U.S. Department of Housing and Urban Development by November 15, 2010.

The annual Action Plan will describe the State's planned use of federal Fiscal Year 2011 funds to address the needs identified by its five-year Consolidated Plan and further the Consolidated Plan's objectives, and will also describe the State's methods for distributing these funds.
