As a condition of award, within 48 hours of receipt of the proposed contract agreement from the State, the low bidder shall return the contract agreement to the State, properly executed, along with the bonds if required by said agreement. Low bidders who cannot meet these provisions may be subject to disqualification and forfeiture of the bid security.

The State intends to expedite award of this contract and the contrac-

tor shall be prepared to proceed with the work accordingly. Bidders are warned that time is of the essence of the contract and completion of the work must be within 150 days after the agreement is approved by the Comptroller. Due to the tightness of the construction schedule, bidders should consider the necessity for an increased work force and shift operations.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 10:00 a.m. on Feb. 12, 2009. Meet at the main entrance to Ella McQueen Residential Center, 41 Howard Ave., Brooklyn, NY. Prospective bidders are urged to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions, and security provisions will apply and all vehicles will be subject to search.

For assistance pertaining to the site visit only, please phone Kim Williams (845) 365-0730.
