NOTICE OF PUBLIC HEARING Banking Department

New York State's Banking Development District Program

The New York State Banking Department ("NYSBD") is in the process of reviewing its Banking Development District ("BDD") program, which was created by the New York State Legislature in 1999 to encourage the establishment of bank branches in areas with a demonstrated need for banking services. BDD bank branches can help provide the services necessary to stimulate local economies by enhancing access to capital for local businesses, promoting long-term economic development, fostering job creation and promoting community stabilization and revitalization.

The first phase of the assessment included surveying participating banks and the communities they served, and the second phase is a series of four public hearings to provide the NYSBD with additional insight on the effectiveness of the BDD program and to hear ideas on how the program might be improved.

Hearings are scheduled from 1:00 p.m. to 4:00 p.m. on the following days:

- Thursday, April 2, 2009 at the Adam Clayton Powell Building¹
- Monday, April 6, 2009 in Syracuse at the Oncenter Complex Center²
- Wednesday, April 8, 2009 in Saratoga at the Saratoga County Arts Council³
- Thursday, April 13, 2009 in Buffalo at the True Bethel Baptist Church⁴

The NYSBD seeks testimony on questions including, but not limited to:

- Should a newly proposed BDD be allowed to overlap geographically with a currently existing BDD?
- Should a bank purchasing a BDD branch be entitled to assume

the BDD program benefits enjoyed by the previous bank owner?

- Should the initial subsidy of two years be extended?
- Should there be a limit on the number of times a BDD branch may seek to renew BDD deposits?
- Should banks already located in a BDD area receive below market rate deposits, and if so, under what circumstances and pursuant to what standards?
- Should there be a financial literacy component required for BDD branches?
- Should the BDD program be extended to credit unions, and if so, pursuant to what standards?
- Are BDDs meeting the financial needs of the underbanked and unbanked residents within the District?
- From the bank and community perspective, what are the benefits of having a BDD in the community?

The NYSBD also seeks suggestions on the following:

- How to improve the BDD program.
- How to expand bank participation in the BDD program.
- Ways to better meet the needs of the unbanked and underbanked.

The NYSBD will receive testimony during the hearing and will issue aggregated findings after all of the hearings have been conducted.

Those interested in testifying at the hearing must submit a request-to-testify form to the NYSBD by mail: 1 State Street, Consumer Services Division, New York, NY 10004-1511; by email: ConsumerAffairs@banking.state.ny.us; or by fax: (212) 709-3582. This Notice of Hearing and the Request to Testify Form are available on the NYSBD website at www.banking.state.ny.us.

Oral testimony will be limited to eight (8) minutes in duration. Persons testifying must submit an electronic copy of their written testimony to the NYSBD by the following dates:

- New York City hearing by March 25, 2009;
- Syracuse and Saratoga hearings by April 1, 2009, and;
- Buffalo hearing by April 7, 2009.

Persons testifying also must bring five copies of their testimony with them on the day of the hearing.

In order to further publicize this hearing, please inform interested parties and organizations of the NYSBD's interest in hearing testimony from all stakeholders.

Interested parties may direct questions to NYSBD by phone: 212-709-1621, or by email: ConsumerAffairs@banking.state.ny.us.

PUBLIC NOTICE

Department of State

F-2008-0831 and F-2008-0832

Date of Issuance - March 18, 2009

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program. The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at 41 State Street in Albany, New York.

In F-2008-0831 and F-2008-0832, Harry Heitzenrater and Sam Patel, respectively, are proposing the installation of a total of 315 linear feet of rip-rap along the shoreline of their private properties on Lake Ontario at 3171 and 3177 West Lake Road in the Town of Wilson, Niagara County, New York. The revetment will be constructed at a 1 on 3 slope (1 foot vertical to 3 feet horizontal). The rip rap will be placed over a 1 foot layer of crushed stone and filter fabric, and a 3 foot by 3 foot key trench will be constructed at the base of the graded slope. The slope will be seeded with crown vetch for stabilization. The stated purpose for the proposed activity is to prevent erosion.

The proposed activity would be undertaken in a State designated Coastal Erosion Hazard Area (CEHA), designated in accordance with Article 34 of the State Environmental Conservation Law and its implementing regulations in 6 NYCRR Part 505. Specifically, the beach, bluff, and nearshore area where the activity is proposed are natural protective features, and the area is a designated "Natural Protective Feature Area" and "Structural Hazard Area" delineated on the official New York State Department of Environmental Conservation Coastal Erosion Hazard Area Map Photo Number 186-802-79, sheet 3 of 7.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 15 days from the date of publication of this notice, or, April 17, 2009.

Comments should be addressed to the New York State Department of State, Office of Coastal, Local Government and Community Sustainability, One Commerce Plaza, 99 Washington Avenue, Albany, New York 12231. Telephone (518) 474-6000; Fax (518) 473-2464.

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
F-2008-0898

Date of Issuance - March 18, 2009

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program. The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue in Albany, New York.

In F-2008-0898, Palms Bay Holdings, LLC has requested authorization from the U.S. Army Corps of Engineers/New York District to construct a 3-foot wide by 20-foot long finger pier and (3) 10-inch diameter piles to create 3 boat slips within Great South Bay adjacent to their property at 932 Bay Walk, within the Village of Ocean Beach in Suffolk County, New York. The stated purpose of the proposed structures is for private boat dockage. The dock would be constructed with the State-designated Great South Bay West Significant Coastal Fish and Wildlife Habitat and a federally delineated Seashore District within Fire Island National Seashore, managed by the National Park Service of the United States Department of the Interior.

Any interested parties and/or agencies desiring to express their views concerning the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or, Friday, April 17, 2009.
