## **New York Census Complete Count Grant Program**

Applications will be accepted through Friday, October 16, 2009 at 4:00 PM to fund activities intended to assure that all New York residents are counted in the 2010 Census. Successful applicants will identify strategies targeted at hard-to-count and low response rate populations for promoting awareness of the Census, improving Census questionnaire mail back rates, and encouraging cooperation with Census takers, and will execute those strategies prior to June 1, 2010.
