PUBLIC NOTICE Department of Health Certification

Section 1198 of the New York State Vehicle and Traffic Law authorizes the Commissioner of the Department of Health to approve ignition interlock devices for installation in the vehicles of persons who are subject to sanctions for an alcohol impairment offense. Ignition interlock devices must meet or exceed minimum performance specifications established by the Department of Health, as set forth in Sections 59.10, 59.11 and 59.12 of 10 NYCRR.

This is to certify that the Alcolock WR2 and WR3 breath alcohol ignition interlock devices, manufactured by Alcohol Countermeasure Systems Corp., have met device performance specifications and are in compliance with all requirements of 10 NYCRR Part 59.

This certification is effective June 28, 2010, and notice thereof will be published in the New York *State Register*.
