Request for Proposals – Small Business Revolving Loan Fund

The Small Business Revolving Loan Fund is a \$50 million fund designed to create economic activity by providing greater access to capital for main street everyday small businesses. The program is targeted to minorities, women and other New Yorkers who have difficulty accessing regular credit markets. Governor Paterson's Small Business Task Force identified this vital need and initially proposed the creation of this program. The 2010-11 State Budget provided \$25 million in state funds and will leverage at least additional \$25 million in non-State matching funds from the participating lending organizations.

Empire State Development Corporation ("ESDC") is issuing a Request for Proposals ("RFP") to community development financial institutions, as well as community based lending organizations, small business lending consortia, certified development companies, providers of United States Department of Agriculture business and industrial guaranteed loans, United States Small Business Administration loan providers, credit unions and community banks (referred to collectively as Community Based Lending Organizations - "CBLOs"). ESDC will provide low-interest loan capital to the CBLOs to make loans to small businesses and minority/ women owned businesses located within New York State that are having difficulty accessing traditional markets or cannot secure adequate terms for such credit. Full program details are available in the RFP.

For a copy of the RFP and more Program details, please go to <http://esd.ny.gov/BusinessPrograms/SBRLF.html>

Draft 2011 Annual Action Plan
and Update to the Analysis of Impediments
Public Comment Period Announcement

To participate in certain federal community development and housing programs, the State of New York must prepare a five-year Consolidated Plan and an annual Action Plan and provide opportunities for citizens to participate in its development. As part of this process, New York State invites interested persons to review and comment on the five-year Consolidated Plan for 2011-2015 and the Annual Action Plan for 2011 during an upcoming public comment period.

The Consolidated Plan and the Annual Action Plan focus principally on four federal programs: the New York State Community Development Block Grant Program (CDBG); the HOME Investment Partnerships Program (HOME); the Housing Opportunities for Persons with AIDS Program (HOPWA); and the Emergency Shelter Grants Program (ESGP).

The Consolidated Plan will be a five-year strategy for addressing the housing and non-housing community development needs of New York communities. The Consolidated Plan will set long-term goals for the development of viable communities by providing decent housing, a suitable living environment, and expanding economic opportunities, principally for low- and moderate-income persons. New York State must submit a completed Consolidated Plan, including the Annual Action Plan, to the U.S Department of Housing and Urban Development by November 15, 2010.

The Annual Action Plan will describe the State's planned use of federal Fiscal Year 2011 CDBG, HOME, HOPWA and ESGP funds it administers to address the needs identified by its five-year Consolidated Plan and further the Consolidated Plan's objectives, and will also describe the State's methods for distributing these funds.

In addition, New York State is updating its Analysis of Impediments to Fair Housing which will identify impediments to fair housing choice in New York State and what actions are being taken to overcome the effects of those impediments. Interested persons are also invited to review and comment on the draft update of the Analysis of Impediments to Fair Housing during the upcoming public comment period.

The 30-day public comment period will begin on Wednesday, September 8, 2010 and extend through close of business Thursday, October 7, 2010.
