PUBLIC NOTICE

Office for People with Developmental Disabilities

Pursuant to 42 CFR Section 447.205, the New York State Office for People With Developmental Disabilities (OPWDD) and the New York State Department of Health hereby give notice of the following:

New York State proposes to implement a resource allocation restriction affecting providers offering the following Medicaid services certified or operated by OPWDD: Residential Habilitation Services delivered in Supervised IRAs and Supervised Community Residences, under 31-bed ICF/DDs, Group and Supplemental Group Day Habilitation and Prevocational Services. The restriction will prohibit providers from funding administrative expenses with revenues realized from reimbursement attributable to Medicaid price components other than the administrative component. The earliest date the restriction will be effective is September 29, 2011.

Regulations containing this restriction were adopted effective July 1, 2011, but emergency regulations promulgated the same day postponed the effective date of the restriction until September 29, 2011.

This measure is intended to encourage administrative efficiency and will not change reimbursement to providers or cause any change in annual aggregate expenditures.

The texts of the regulations containing the restriction were published on June 29, 2011 in the New York State Register, Volume XXXIII, Issue 26. They are identified as addressing the reimbursement methodology for each specific program. The text of the emergency regulations that postponed implementation appeared in the New York State Register on July 20, 2011, Volume XXXIII, Issue 29. The texts of these regulations may also be found on the OPWDD internet website at <http://www.opwdd.ny.gov/regs/index.jsp> or at the NYS Department of State website.

Previously, texts of the regulations describing the changes at the time of original proposal were distributed to the offices of the local (county) Mental Hygiene Directors and are available for public review. To determine the location of your local Mental Hygiene Director including the office within Manhattan (New York County), you may access a list online at <http://clmhd.org/about/countydirectory.aspx>.
