PUBLIC NOTICE

Department of Health

Pursuant to 42 CFR Section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for hospice services to amend the definition of terminal illness to expand access to hospice benefits. The following significant change is proposed:

Definition of Terminal Illness

- Effective April 1, 2012, regulations will be established to allow persons who are certified terminally ill by a physician, with a life expectancy of 12 months or less, to qualify for hospice services. Hospice remains a voluntary State Plan benefit and

individuals must elect the benefit upon being certified terminally ill. The current requirement is a terminal prognosis of six months or less.

The estimated net aggregate increase in gross Medicaid expenditures attributable to this initiative for the state fiscal year 2012/13 is \$1,704,658.

The public is invited to review and comment on this proposed state plan amendment, copies of which will be available for public review on the Department's website at: http://www.health.ny.gov/regulations/state__plans/status

In addition, copies of the proposed state plan amendment will be on file and available for public review in each local (county) social services district.
