PUBLIC NOTICE

Department of State
 Notice of Routine Program Change
 Village of Ocean Beach
 Local Waterfront Revitalization Program

PURSUANT to 15 CFR 923.84(b), the New York State Department of State (DOS) has submitted a routine program change to the federal Office of Ocean and Coastal Resource Management (OCRM). The change to the New York State Coastal Management Program (CMP) covered by this request is the incorporation of the Village of Ocean Beach Local Waterfront Revitalization Program into the State's CMP.

A major component of the State's CMP is the provision that local governments be allowed to prepare local waterfront revitalization programs which further detail and make geographically specific the State's coastal policies. Each local program is reviewed for consistency with the State's CMP and approved if it meets the guidelines established in the State CMP and Article 42 of the NYS Executive Law.

The Village of Ocean Beach LWRP is a locally prepared comprehensive land and water use plan for the local natural, public, and developed waterfront resources. The LWRP serves as a long term comprehensive coastal management program for the Village's Atlantic Ocean waterfront resources and is based on the policies of the New York State Coastal Management Program. The Village prepared its LWRP in partnership with the New York State Department of State, and in accordance with the New York State Waterfront Revitalization of Coastal Areas and Inland Waterways Act and the New York State Coastal Management Program.

The draft Village of Ocean Beach LWRP was circulated to potentially affected state, federal, and regional agencies during a 60-day review and comment period from December 15, 2004 to February 2, 2005.

Following this review period, the Department of State coordinated responses to comments received with the Village of Ocean Beach, and revised the draft where necessary. The Ocean Beach Board of trustees then adopted the LWRP on April 24, 2010. The New York State Secretary of State approved the amended LWRP on October 27, 2010 pursuant to the New York State Waterfront Revitalization of Coastal Areas and Inland Waterways Act (NYS Executive Law, Article 42). The approved Village of Ocean Beach Local Waterfront Revitalization Program is available online, at <http://nyswaterfronts.com/LWRP.asp>.

Any comments on whether or not the action constitutes a routine program change to the State's approved Coastal Management Program should be submitted by January 31, 2011 to: John King, U.S. Office of

Ocean and Coastal Resource Management, Coastal Programs Division, SSMC4, N/ORM3, 1305 East-West Highway, Silver Spring, MD 20910.

Further information on this routine program change may be obtained from: Kevin Millington, Office of Coastal, Local Government and Community Sustainability, Department of State, One Commerce Plaza, 99 Washington Ave., Suite 1010, Albany, NY 12231-0001
