PROPOSED AMENDMENT  
NUMBER THREE

Assembly 9526

CONCURRENT RESOLUTION OF THE  
SENATE AND ASSEMBLY

proposing an amendment to article 3 of the constitution, in relation to the establishment of the independent redistricting commission

Section 1. Resolved (if the Senate concur), That sections 4 and 5 of article 3 of the constitution be amended, and a new section 5-b be added to read as follows:

§ 4. (a) Except as herein otherwise provided, the federal census taken in the year nineteen hundred thirty and each federal census taken decennially thereafter shall be controlling as to the number of inhabitants in the state or any part thereof for the purposes of the apportionment of members of assembly and readjustment or alteration of senate and assembly districts next occurring, in so far as such census and the tabulation thereof purport to give the information necessary therefor. The legislature, by law, shall provide for the making and tabulation by state authorities of an enumeration of the inhabitants of the entire state to be used for such purposes, instead of a federal census, if the taking of a federal census in any tenth year from the year nineteen hundred thirty be omitted or if the federal census fails to show the number of aliens or Indians not taxed. If a federal census, though giving the requisite information as to the state at large, fails to give the information as to any civil or territorial divisions which is required to be known for such purposes, the legislature, by law, shall provide for such an enumeration of the inhabitants of such parts of the state only as may be necessary, which shall supersede in part the federal census and be used in connection therewith for such purposes. The legislature, by law, may provide in its discretion for an enumeration by state authorities of the inhabitants of the state, to be used for such purposes, in place of a federal census, when the return of a decennial federal census is delayed so that it is not available at the beginning of the regular session of the legislature in the second year after the year nineteen hundred thirty or after any tenth year therefrom, or if an apportionment of members of assembly and readjustment or alteration of senate districts is not made at or before such a session. At the regular session in the year nineteen hundred thirty-two, and at the first regular session after the year nineteen hundred forty and after each tenth year therefrom the senate districts shall be readjusted or altered, but if, in any decade, counting from and including that which begins with the year nineteen hundred thirty-one, such a readjustment or alteration is not made at the time above prescribed, it shall be made at a subsequent session occurring not later than the sixth year of such decade, meaning not later than nineteen hundred thirty-six, nineteen hundred forty-six, nineteen hundred fifty-six, and so on; provided, however, that if such districts shall have been readjusted or altered by law in either of the years nineteen hundred thirty or nineteen hundred thirty-one, they shall remain unaltered until the first regular session after the year nineteen hundred forty. [~~Such districts shall be so readjusted or altered that each senate district shall contain as nearly as may be an equal number of inhabitants, excluding aliens, and be in as compact form as practicable, and shall remain unaltered until the first year of the next decade as above defined, and shall at all times consist of contiguous territory, and no county shall be divided in the formation of a senate district except to make two or more senate districts wholly in such county.~~] No town, except a town having more than a full ratio of apportionment, and no block in a city inclosed by streets or public ways, shall be divided in the formation of senate districts[~~; nor shall any~~]. **In the reapportionment of senate districts, no district shall contain a greater excess in population over an adjoining district in the same county, than the population of a town or block therein adjoining such district. Counties, towns or blocks which, from their location, may be included in either of two districts, shall be so placed as to make said districts most nearly equal in number of inhabitants, excluding aliens. No county shall have four or more senators unless it shall have a full ratio for each senator.**

No county shall have more than one-third of all the senators; and no two counties or the territory thereof as now organized, which are adjoining counties, or which are separated only by public waters, shall have more than one-half of all the senators.

**(b) The independent redistricting commission established pursuant to section five-b of this article shall prepare a redistricting plan to establish senate, assembly, and congressional districts every ten years commencing in two thousand twenty-one, and shall submit to the legislature such plan and the implementing legislation therefor on or before January first or as soon as practicable thereafter but no later than January fifteenth in the year ending in two beginning in two thousand twenty-two. The redistricting plans for the assembly and the senate shall be contained in and voted upon by the legislature in a single bill, and the congressional district plan may be included in the same bill if the legislature chooses to do so. The implementing legislation shall be voted upon, without amendment, by the senate or the assembly and if approved by the first house voting upon it, such legislation shall be delivered to the other house immediately to be voted upon without amendment. If approved by both houses, such legislation shall be presented to the governor for action.**

**If either house shall fail to approve the legislation implementing the first redistricting plan, or the governor shall veto such legislation and the legislature shall fail to override such veto, each house or the governor if he or she vetoes it, shall notify the commission that such legislation has been disapproved. Within fifteen days of such notification and in no case later than February twenty-eighth, the redistricting commission shall prepare and submit to the legislature a second redistricting plan and the necessary implementing legislation for such plan. Such legislation shall be voted upon, without amendment, by the senate or the assembly and, if approved by the first house voting upon it, such legislation shall be delivered to the other house immediately to be voted upon without amendment. If approved by both houses, such legislation shall be presented to the governor for action.**

**If either house shall fail to approve the legislation implementing the second redistricting plan, or the governor shall veto such legislation and the legislature shall fail to override such veto, each house shall introduce such implementing legislation with any amendments each house of the legislature deems necessary. All such amendments shall comply with the provisions of this article. If approved by both houses, such legislation shall be presented to the governor for action.**

**All votes by the senate or assembly on any redistricting plan legislation pursuant to this article shall be conducted in accordance with the following rules:**

**(1) In the event that the speaker of the assembly and the temporary president of the senate are members of two different political parties, approval of legislation submitted by the independent redistricting commission pursuant to subdivision (f) of section five-b of this article shall require the vote in support of its passage by at least a majority of the members elected to each house.**

**(2) In the event that the speaker of the assembly and the temporary president of the senate are members of two different political parties, approval of legislation submitted by the independent redistricting commission pursuant to subdivision (g) of section five-b of this article shall require the vote in support of its passage by at least sixty percent of the members elected to each house.**

**(3) In the event that the speaker of the assembly and the temporary president of the senate are members of the same political party, approval of legislation submitted by the independent redistricting commission pursuant to subdivision (f) or (g) of section five-b of this article shall require the vote in support of its passage by at least two-thirds of the members elected to each house.**

**(c) Subject to the requirements of the federal constitution and statutes and in compliance with state constitutional requirements, the following principles shall be used in the creation of state senate and state assembly districts and congressional districts:**

**(1) When drawing district lines, the commission shall consider whether such lines would result in the denial or abridgement of racial or language minority voting rights, and districts shall not be drawn to have the purpose of, nor shall they result in, the denial or abridgement of such rights. Districts shall be drawn so that, based on the totality of the circumstances, racial or minority language groups do not have less opportunity to participate in the political**

process than other members of the electorate and to elect representatives of their choice.

(2) To the extent practicable, districts shall contain as nearly as may be an equal number of inhabitants. For each district that deviates from this requirement, the commission shall provide a specific public explanation as to why such deviation exists.

(3) Each district shall consist of contiguous territory.

(4) Each district shall be as compact in form as practicable.

(5) Districts shall not be drawn to discourage competition or for the purpose of favoring or disfavoring incumbents or other particular candidates or political parties. The commission shall consider the maintenance of cores of existing districts, of pre-existing political subdivisions, including counties, cities, and towns, and of communities of interest.

(6) In drawing senate districts, towns or blocks which, from their location may be included in either of two districts, shall be so placed as to make said districts most nearly equal in number of inhabitants. The requirements that senate districts not divide counties or towns, as well as the 'block-on-border' and 'town-on-border' rules, shall remain in effect.

During the preparation of the redistricting plan, the independent redistricting commission shall conduct not less than one public hearing on proposals for the redistricting of congressional and state legislative districts in each of the following (i) cities: Albany, Buffalo, Syracuse, Rochester, and White Plains; and (ii) counties: Bronx, Kings, New York, Queens, Richmond, Nassau, and Suffolk. Notice of all such hearings shall be widely published using the best available means and media a reasonable time before every hearing. At least thirty days prior to the first public hearing and in any event no later than September fifteenth of the year ending in one or as soon as practicable thereafter, the independent redistricting commission shall make widely available to the public, in print form and using the best available technology, its draft redistricting plans, relevant data, and related information. Such plans, data, and information shall be in a form that allows and facilitates their use by the public to review, analyze, and comment upon such plans and to develop alternative redistricting plans for presentation to the commission at the public hearings. The independent redistricting commission shall report the findings of all such hearings to the legislature upon submission of a redistricting plan.

(d) The ratio for apportioning senators shall always be obtained by dividing the number of inhabitants, excluding aliens, by fifty, and the senate shall always be composed of fifty members, except that if any county having three or more senators at the time of any apportionment shall be entitled on such ratio to an additional senator or senators, such additional senator or senators shall be given to such county in addition to the fifty senators, and the whole number of senators shall be increased to that extent.

The senate districts, including the present ones, as existing immediately before the enactment of a law readjusting or altering the senate districts, shall continue to be the senate districts of the state until the expirations of the terms of the senators then in office, except for the purpose of an election of senators for full terms beginning at such expirations, and for the formation of assembly districts.

(e) The process for redistricting congressional and state legislative districts established by this section and sections five and five-b of this article shall govern redistricting in this state except to the extent that a court is required to order the adoption of, or changes to, a redistricting plan as a remedy for a violation of law.

A reapportionment plan and the districts contained in such plan shall be in force until the effective date of a plan based upon the subsequent federal decennial census taken in a year ending in zero unless modified pursuant to court order.

§ 5. The members of the assembly shall be chosen by single districts and shall be apportioned ~~by the legislature~~ pursuant to this section and sections four and five-b of this article at each regular session at which the senate districts are readjusted or altered, and by the same law, among the several counties of the state, as nearly as may be according to the number of their respective inhabitants, excluding aliens. Every

county heretofore established and separately organized, except the county of Hamilton, shall always be entitled to one member Of assembly, and no county shall hereafter be erected unless its population shall entitle it to a member. The county of Hamilton shall elect with the county of Fulton, until the population of the county of Hamilton shall, according to the ratio, entitle it to a member. But the legislature may abolish the said county of Hamilton and annex the territory thereof to some other county or counties.

The quotient obtained by dividing the whole number of inhabitants of the state, excluding aliens, by the number of members of assembly, shall be the ratio for apportionment, which shall be made as follows: One member of assembly shall be apportioned to every county, including Fulton and Hamilton as one county, containing less than the ratio and one-half over. Two members shall be apportioned to every other county. The remaining members of assembly shall be apportioned to the counties having more than two ratios according to the number of inhabitants, excluding aliens. Members apportioned on remainders shall be apportioned to the counties having the highest remainders in the order thereof respectively. No county shall have more members of assembly than a county having a greater number of inhabitants, excluding aliens.

The assembly districts, including the present ones, as existing immediately before the enactment of a law making an apportionment of members of assembly among the counties, shall continue to be the assembly districts of the state until the expiration of the terms of members then in office, except for the purpose of an election of members of assembly for full terms beginning at such expirations.

In any county entitled to more than one member, the board of supervisors, and in any city embracing an entire county and having no board of supervisors, the common council, or if there be none, the body exercising the powers of a common council, shall assemble at such times as the legislature making an apportionment shall prescribe, and divide such counties into assembly districts as nearly equal in number of inhabitants, excluding aliens, as may be, of convenient and contiguous territory in as compact form as practicable, each of which shall be wholly within a senate district formed under the same apportionment, equal to the number of members of assembly to which such county shall be entitled, and shall cause to be filed in the office of the secretary of state and of the clerk of such county, a description of such districts, specifying the number of each district and of the inhabitants thereof, excluding aliens, according to the census or enumeration used as the population basis for the formation of such districts; and such apportionment and districts shall remain unaltered until after the next reapportionment of members of assembly, except that the board of supervisors of any county containing a town having more than a ratio of apportionment and one-half over may alter the assembly districts in a senate district containing such town at any time on or before March first, nineteen hundred forty-six. In counties having more than one senate district, the same number of assembly districts shall be put in each senate district, unless the assembly districts cannot be evenly divided among the senate districts of any county, in which case one more assembly district shall be put in the senate district in such county having the largest, or one less assembly district shall be put in the senate district in such county having the smallest number of inhabitants, excluding aliens, as the case may require.

~~[No town, except a town having more than a ratio of apportionment and one-half over, and no block in a city inclosed by streets or public ways, shall be divided in the formation of assembly districts, nor shall any districts contain a greater excess in population over an adjoining district in the same senate district, than the population of a town or block therein adjoining such assembly district. Towns or blocks which, from their location may be included in either of two districts, shall be so placed as to make said districts most nearly equal in number of inhabitants, excluding aliens.]~~ Nothing in this section shall prevent the division, at any time, of counties and towns and the erection of new towns by the legislature.

An apportionment by the legislature, or other body, shall be subject to review by the supreme court, at the suit of any citizen, under such reasonable regulations as the legislature may prescribe; and any court before which a cause may be pending involving an apportionment, shall give precedence thereto over all other causes and proceedings, and if said court be not in session it shall convene promptly for the disposition of the same. **The court shall render its decision within sixty days af-**

ter a petition is filed. In any judicial proceeding relating to redistricting of congressional or state legislative districts, any law establishing congressional or state legislative districts found to violate the provisions of this article shall be invalid in whole or in part. In the event that a court finds such a violation, the legislature shall have a full and reasonable opportunity to correct the law's legal infirmities.

§ 5-b. (a) On or before February first of each year ending with a zero and at any other time a court orders that congressional or state legislative districts be amended, an independent redistricting commission shall be established to determine the district lines for congressional and state legislative offices. The independent redistricting commission shall be composed of ten members, appointed as follows:

(1) two members shall be appointed by the temporary president of the senate;

(2) two members shall be appointed by the speaker of the assembly;

(3) two members shall be appointed by the minority leader of the senate;

(4) two members shall be appointed by the minority leader of the assembly;

(5) two members shall be appointed by the eight members appointed pursuant to paragraphs (1) through (4) of this subdivision by a vote of not less than five members in favor of such appointment, and these two members shall not have been enrolled in the preceding five years in either of the two political parties that contain the largest or second largest number of enrolled voters within the state;

(6) one member shall be designated chair of the commission by a majority of the members appointed pursuant to paragraphs (1) through (5) of this subdivision to convene and preside over each meeting of the commission.

(b) The members of the independent redistricting commission shall be registered voters in this state. No member shall within the last three years:

(1) be or have been a member of the New York state legislature or United States Congress or a statewide elected official;

(2) be or have been a state officer or employee or legislative employee as defined in section seventy-three of the public officers law;

(3) be or have been a registered lobbyist in New York state;

(4) be or have been a political party chairman, as defined in paragraph (k) of subdivision one of section seventy-three of the public officers law;

(5) be the spouse of a statewide elected official or of any member of the United States Congress, or of the state legislature.

(c) To the extent practicable, the members of the independent redistricting commission shall reflect the diversity of the residents of this state with regard to race, ethnicity, gender, language, and geographic residence and to the extent practicable the appointing authorities shall consult with organizations devoted to protecting the voting rights of minority and other voters concerning potential appointees to the commission.

(d) Vacancies in the membership of the commission shall be filled within thirty days in the manner provided for in the original appointments.

(e) The legislature shall provide by law for the compensation of the members of the independent redistricting commission, including compensation for actual and necessary expenses incurred in the performance of their duties.

(f) A minimum of five members of the independent redistricting commission shall constitute a quorum for the transaction of any business or the exercise of any power of such commission prior to the appointment of the two commission members appointed pursuant to paragraph (5) of subdivision (a) of this section, and a minimum of seven members shall constitute a quorum after such members have been appointed, and no exercise of any power of the independent redistricting commission shall occur without the affir-

mative vote of at least a majority of the members, provided that, in order to approve any redistricting plan and implementing legislation, the following rules shall apply:

(1) In the event that the speaker of the assembly and the temporary president of the senate are members of the same political party, approval of a redistricting plan and implementing legislation by the commission for submission to the legislature shall require the vote in support of its approval by at least seven members including at least one member appointed by each of the legislative leaders.

(2) In the event that the speaker of the assembly and the temporary president of the senate are members of two different political parties, approval of a redistricting plan by the commission for submission to the legislature shall require the vote in support of its approval by at least seven members including at least one member appointed by the speaker of the assembly and one member appointed by the temporary president of the senate.

(g) In the event that the commission is unable to obtain seven votes to approve a redistricting plan on or before January first in the year ending in two or as soon as practicable thereafter, the commission shall submit to the legislature that redistricting plan and implementing legislation that garnered the highest number of votes in support of its approval by the commission with a record of the votes taken. In the event that more than one plan received the same number of votes for approval, and such number was higher than that for any other plan, then the commission shall submit all plans that obtained such number of votes. The legislature shall consider and vote upon such implementing legislation in accordance with the voting rules set forth in subdivision (b) of section four of this article.

(h) (1) The independent redistricting commission shall appoint two co-executive directors by a majority vote of the commission in accordance with the following procedure:

(i) In the event that the speaker of the assembly and the temporary president of the senate are members of two different political parties, the co-executive directors shall be approved by a majority of the commission that includes at least one appointee by the speaker of the assembly and at least one appointee by the temporary president of the senate.

(ii) In the event that the speaker of the assembly and the temporary president of the senate are members of the same political party, the co-executive directors shall be approved by a majority of the commission that includes at least one appointee by each of the legislative leaders.

(2) One of the co-executive directors shall be enrolled in the political party with the highest number of enrolled members in the state and one shall be enrolled in the political party with the second highest number of enrolled members in the state. The co-executive directors shall appoint such staff as are necessary to perform the commission's duties, except that the commission shall review a staffing plan prepared and provided by the co-executive directors which shall contain a list of the various positions and the duties, qualifications, and salaries associated with each position.

(3) In the event that the commission is unable to appoint one or both of the co-executive directors within forty-five days of the establishment of a quorum of seven commissioners, the following procedure shall be followed:

(i) In the event that the speaker of the assembly and the temporary president of the senate are members of two different political parties, within ten days the speaker's appointees on the commission shall appoint one co-executive director, and the temporary president's appointees on the commission shall appoint the other co-executive director. Also within ten days the minority leader of the assembly shall select a co-deputy executive director, and the minority leader of the senate shall select the other co-deputy executive director.

(ii) In the event that the speaker of the assembly and the temporary president of the senate are members of the same political party, within ten days the speaker's and temporary president's appointees on the commission shall together appoint one co-executive director, and the two minority leaders' appointees on the commission shall together appoint the other co-executive director.

**(4) In the event of a vacancy in the offices of co-executive director or co-deputy executive director, the position shall be filled within ten days of its occurrence by the same appointing authority or authorities that appointed his or her predecessor.**

**(i) The state budget shall include necessary appropriations for the expenses of the independent redistricting commission, provide for compensation and reimbursement of expenses for the members and staff of the commission, assign to the commission any additional duties that the legislature may deem necessary to the performance of the duties stipulated in this article, and require other agencies and officials of the state of New York and its political subdivisions to provide such information and assistance as the commission may require to perform its duties.**

They shall not be leased, sold or exchanged, or be taken by any corporation, public or private, nor shall the timber thereon be sold, removed or destroyed. Nothing herein contained shall prevent the state from constructing, completing and maintaining any highway heretofore specifically authorized by constitutional amendment, nor from constructing and maintaining to federal standards federal aid interstate highway route five hundred two from a point in the vicinity of the city of Glens Falls, thence northerly to the vicinity of the villages of Lake George and Warrensburg, the hamlets of South Horicon and Pottersville and thence northerly in a generally straight line on the west side of Schroon Lake to the vicinity of the hamlet of Schroon, then continuing northerly to the vicinity of Schroon Falls, Schroon River and North Hudson, and to the east of Makomis Mountain, east of the hamlet of New Russia, east of the village of Elizabethtown and continuing northerly in the vicinity of the hamlet of Towers Forge, and east of Poke-O-Moonshine Mountain and continuing northerly to the vicinity of the village of Keeseville and the city of Plattsburgh, all of the aforesaid taking not to exceed a total of three hundred acres of state forest preserve land, nor from constructing and maintaining not more than twenty-five miles of ski trails thirty to two hundred feet wide, together with appurtenances thereto, provided that no more than five miles of such trails shall be in excess of one hundred twenty feet wide, on the north, east and northwest slopes of Whiteface Mountain in Essex county, nor from constructing and maintaining not more than twenty-five miles of ski trails thirty to two hundred feet wide, together with appurtenances thereto, provided that no more than two miles of such trails shall be in excess of one hundred twenty feet wide, on the slopes of Belleayre Mountain in Ulster and Delaware counties and not more than forty miles of ski trails thirty to two hundred feet wide, together with

appurtenances thereto, provided that no more than eight miles of such trails shall be in excess of one hundred twenty feet wide, on the slopes of Gore and Pete Gay mountains in Warren county, nor from relocating, reconstructing and maintaining a total of not more than fifty miles of existing state highways for the purpose of eliminating the hazards of dangerous curves and grades, provided a total of no more than four hundred acres of forest preserve land shall be used for such purpose and that no single relocated portion of any highway shall exceed one mile in length. Notwithstanding the foregoing provisions, the state may convey to the village of Saranac Lake ten acres of forest preserve land adjacent to the boundaries of such village for public use in providing for refuse disposal and in exchange therefore the village of Saranac Lake shall convey to the state thirty acres of certain true forest land owned by such village on Roaring Brook in the northern half of Lot 113, Township 11, Richards Survey. Notwithstanding the foregoing provisions, the state may convey to the town of Arietta twenty-eight acres of forest preserve land within such town for public use in providing for the extension of the runway and landing strip of the Piseco airport and in exchange therefor the town of Arietta shall convey to the state thirty acres of certain land owned by such town in the town of Arietta. Notwithstanding the foregoing provisions and subject to legislative approval of the tracts to be exchanged prior to the actual transfer of title, the state, in order to consolidate its land holdings for better management, may convey to International Paper Company approximately eight thousand five hundred acres of forest preserve land located in townships two and three of Totten and Crossfield's Purchase and township nine of the Moose River Tract, Hamilton county, and in exchange therefore International Paper Company shall convey to the state for incorporation into the forest preserve approximately the same number of acres of land located within such townships and such County on condition that the legislature shall determine that the lands to be received by the state are at least equal in value to the lands to be conveyed by the state. Notwithstanding the foregoing provisions and subject to legislative approval of the tracts to be exchanged prior to the actual transfer of title and the conditions herein set forth, the state, in order to facilitate the preservation of historic buildings listed on the national register of historic places by rejoining an historic grouping of buildings under unitary ownership and stewardship, may convey to Sagamore Institute Inc., a not-for-profit educational organization, approximately ten acres of land and buildings thereon adjoining the real property of the Sagamore Institute, Inc. and located on Sagamore Road, near Raquette Lake Village, in the Town of Long Lake, county of Hamilton, and in exchange therefor; Sagamore Institute, Inc. shall convey to the state for incorporation into the forest preserve approximately two hundred acres of wild forest land located within the Adirondack Park on condition that the legislature shall determine that the lands to be received by the state are at least equal in value to the lands and buildings to be conveyed by the state and that the natural and historic character of the lands and buildings conveyed by the state will be secured by appropriate covenants and restrictions and that the lands and buildings conveyed by the state will reasonably be available for public visits according to agreement between Sagamore Institute, Inc. and the state. Notwithstanding the foregoing provisions the state may convey to the town of Arietta fifty acres of forest preserve land within such town for public use in providing for the extension of the runway and landing strip of the Piseco airport and providing for the maintenance of a clear zone around such runway, and in exchange therefor, the town of Arietta shall convey to the state fifty-three acres of true forest land located in lot 2 township 2 Totten and Crossfield's Purchase in the town of Lake Pleasant. Notwithstanding the foregoing provisions and subject to legislative approval prior to actual transfer of title, the state may convey to the town of Keene, Essex county, for public use as a cemetery owned by such town, approximately twelve acres of forest preserve land within such town and, in exchange therefor, the town of Keene shall convey to the state for incorporation into the forest preserve approximately one hundred forty-four acres of land, together with an easement over land owned by such town including the riverbed adjacent to the land to be conveyed to the state that will restrict further development of such land on condition that the legislature shall determine that the property to be received by the state is at least equal in value to the land to be conveyed by the state.

Notwithstanding the foregoing provisions and subject to legislative

approval prior to actual transfer of title, because there is no viable alternative to using forest preserve lands for the siting of drinking water wells and necessary appurtenances and because such wells are necessary to meet drinking water quality standards, the state may convey to the town of Long Lake, Hamilton county, one acre of forest preserve land within such town for public use as the site of such drinking water wells and necessary appurtenances for the municipal water supply for the hamlet of Raquette Lake. In exchange therefor, the town of Long Lake shall convey to the state at least twelve acres of land located in Hamilton county for incorporation into the forest preserve that the legislature shall determine is at least equal in value to the land to be conveyed by the state. The Raquette Lake surface reservoir shall be abandoned as a drinking water supply source.

Notwithstanding the foregoing provisions and subject to legislative approval prior to actual transfer of title, the state may convey to National Grid up to six acres adjoining State Route 56 in St. Lawrence County where it passes through Forest Preserve in Township 5, Lots 1, 2, 5 and 6 that is necessary and appropriate for National Grid to construct a new 46kV power line and in exchange therefore National Grid shall convey to the state for incorporation into the forest preserve at least 10 acres of forest land owned by National Grid in St. Lawrence county, on condition that the legislature shall determine that the property to be received by the state is at least equal in value to the land conveyed by the state.

**Notwithstanding the foregoing provisions, the state may authorize NYCO Minerals, Inc. to engage in mineral sampling operations, solely at its expense, to determine the quantity and quality of wollastonite on approximately 200 acres of forest preserve land contained in lot 8, Stowers survey, town of Lewis, Essex county provided that NYCO Minerals, Inc. shall provide the data and information derived from such drilling to the state for appraisal purposes. Subject to legislative approval of the tracts to be exchanged prior to the actual transfer of title, the state may subsequently convey said lot 8 to NYCO Minerals, Inc., and, in exchange therefor, NYCO Minerals, Inc. shall convey to the state for incorporation into the forest preserve not less than the same number of acres of land, on condition that the legislature shall determine that the lands to be received by the state are equal to or greater than the value of the land to be conveyed by the state and on condition that the assessed value of the land to be conveyed to the state shall total not less than one million dollars. When NYCO Minerals, Inc. terminates all mining operations on such lot 8 it shall remediate the site and convey title to such lot back to the state of New York for inclusion in the forest preserve. In the event that lot 8 is not conveyed to NYCO Minerals, Inc. pursuant to this paragraph, NYCO Minerals, Inc. nevertheless shall convey to the state for incorporation into the forest preserve not less than the same number of acres of land that is disturbed by any mineral sampling operations conducted on said lot 8 pursuant to this paragraph on condition that the legislature shall determine that the lands to be received by the state are equal to or greater than the value of the lands disturbed by the mineral sampling operations.**

§ 2. Resolved (if the Assembly concur), That the foregoing amendment be referred to the first regular legislative session convening after the next succeeding general election of members to the assembly, and, in conformity with section 1 of article 19 of the constitution, be published for 3 months previous to the time of such election.
