PUBLIC NOTICE

Homes and Community Renewal
2013 Annual Action Plan
Public Comment Period Notice

In order to maintain its eligibility to administer certain federal funds for affordable housing and community development, New York State (NYS) must prepare an Annual Action Plan (AAP) and submit it to the U.S. Department of Housing and Urban Development. For one specific program year, the AAP describes the State's proposed use of available federal and other resources to address the priority needs and specific objectives in the Consolidated Plan; the State's method for distributing funds to local governments and not-for-profit organiza-

tions; and the geographic areas of the State to which it will direct assistance.

The AAP also describes NYS's planned use of approximately \$67 million in federal fiscal year 2013 funds for the: NYS Community Development Block Grant Program (\$40 million); HOME Investment Partnerships Program (\$19 million); Housing Opportunities for Persons with AIDS Program (\$2.1 million); and Emergency Solutions Grants Program (\$5.9 million).

NYS encourages public participation in the development of its AAP and invites interested persons to review and comment on the draft AAP for 2013 during an upcoming public comment period.

This 30-day public comment period will begin on Thursday, September 6, 2012 and extend through close of business on Friday, October 5, 2012. Beginning on September 6, 2012, NYS's draft AAP for 2013 may be viewed on and downloaded from the NYS Homes and Community Renewal (HCR) website at www.nyshcr.org. In addition, copies can be requested by e-mail (HCRConPln@nyshcr.org) or by calling (518) 473-3031.

Comments should be mailed to: NYS HCR, Attention: Nancy Moreland, 38-40 State Street, Albany, NY 12207 or e-mailed to (HCRConPln@nyshcr.org). Comments must be received or post-marked by close of business Friday, October 5, 2012.

PUBLIC NOTICE
Office of Mental Health

On July 14, 2010, the Office of Mental Health (OMH) published a public notice stating that, as part of the 2010-11 Budget, OMH proposed to amend New York's Medicaid State Plan to reflect the carve-out of eligible pharmaceutical costs from the rate setting methodology for Residential Treatment Facilities for Children and Youth, which would become effective when Federal approval of the State Plan Amendment was received. OMH is hereby amending that notice to state that the amendment will be effective on September 1, 2012.

PUBLIC NOTICE
Office for People with Developmental Disabilities and
Department of Health

Pursuant to 42 CFR Section 447.205, the New York State Office for People With Developmental Disabilities (OPWDD) and the New York State Department of Health hereby give notice of the following:

The State is proposing to change the methods and standards for setting Medicaid payment rates for hourly community habilitation for persons with developmental disabilities. The current community habilitation services fee schedule will be reduced by 3.5 to 4.5 percent for all providers. The proposed changes will also limit Medicaid revenue interchange by identifying the minimum percentage of community habilitation program Medicaid revenue that must be used to fund the direct support of individuals within the community habilitation program. That percentage will be 90 percent at October 1, 2012 and 95 percent at January 1, 2014.

The reasons for the proposed changes are to reduce the clinical oversight component of the community habilitation fee to be in line with actual costs of providing clinical oversight, to achieve greater resource accountability and to support individuals in the most integrated setting.

The State estimates that there will be a decrease of approximately \$6.1 million in annual aggregate expenditures as a result of this change.

PUBLIC NOTICE

**Office for People with Developmental Disabilities and
Department of Health**

Pursuant to 42 CFR Section 447.205, the New York State Office for People With Developmental Disabilities (OPWDD) and the New York State Department of Health hereby give notice of the following:

The State is also proposing to change its methods and standards for setting payment rates for plan of care support services (PCSS). The State proposes to establish a fee for initial PCSS equal to three times the otherwise payable PCSS fee. Initial PCSS includes activities and assistance necessary for initial service plan development and implementation and is provided to an individual who has not been enrolled in the OPWDD home and community based services (HCBS) waiver or in Medicaid Service Coordination (MSC).

The reason for the proposed change is as follows. Individuals enrolled in the HCBS Waiver receive either PCSS or MSC. MSC is designed to provide ongoing and comprehensive service coordination, while PCSS is designed to be a less intensive form of service coordination. These changes will allow greater flexibility of PCSS service delivery for HCBS waiver enrolled individuals who are not eligible for MSC or who choose not to receive MSC. These changes will also help bridge the gap in services between the two models of service coordination and create a cost effective resolution that better meets the needs of individuals.

The State estimates that there will be no increase or decrease in annual aggregate expenditures as a result of this change.
