

# MISCELLANEOUS NOTICES/HEARINGS

## Notice of Abandoned Property Received by the State Comptroller

Pursuant to provisions of the Abandoned Property Law and related laws, the Office of the State Comptroller receives unclaimed monies and other property deemed abandoned. A list of the names and last known addresses of the entitled owners of this abandoned property is maintained by the office in accordance with Section 1401 of the Abandoned Property Law. Interested parties may inquire if they appear on the Abandoned Property Listing by contacting the Office of Unclaimed Funds, Monday through Friday from 8:00 a.m. to 4:30 p.m., at:

1-800-221-9311  
or visit our web site at:  
[www.osc.state.ny.us](http://www.osc.state.ny.us)

Claims for abandoned property must be filed with the New York State Comptroller's Office of Unclaimed Funds as provided in Section 1406 of the Abandoned Property Law. For further information contact: Office of the State Comptroller, Office of Unclaimed Funds, 110 State St., Albany, NY 12236.

## PUBLIC NOTICE

Department of State  
F-2008-0753

Date of Issuance - February 15, 2012

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the federally approved New York State Coastal Management Program. The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

In application F-2008-0753, United Water New York, Inc. is proposing the Haverstraw Long Term Water Supply Project (Project) in the Town of Haverstraw, Rockland County. The Project includes the development and operation of a new water intake, intake pumping station, water treatment and desalination facility, and transmission mains. The proposed facility would withdraw up to 10 million gallons of water per day (MGD) from the Hudson River within Haverstraw Bay through an approximately 900' pipeline, to be installed via micro tunneling, and an intake structure fitted with 0.5 millimeter slot width wedgewire screens with a maximum approach velocity of 0.25 feet per second. The water would then be treated and desalinated via filtration and reverse osmosis and enter United Water's transmission and distribution system. Following onsite pretreatment, the effluent (except a concentrated brine solution) generated by the Project facility would be transported via pipeline to and treated at the Haverstraw Joint Regional Sewage Treatment Plant (HJRSTP). The above referenced concentrated brine solution would then be separately combined with the treated effluent from the HJRSTP and ultimately discharged back to the Hudson River in Haverstraw Bay.

The stated purpose of the proposed action is to "develop an ad-

ditional sustainable water supply that will increase the safe yield of the [United Water New York] system to meet the growing needs for water in Rockland County over the next 20 years."

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 15 days from the date of publication of this notice, or, March 01, 2012.

*Comments should be addressed to:* Department of State, Division of Coastal Resources, One Commerce Plaza, 99 Washington Ave., Albany, NY 12231, (518) 474-6000, Fax (518) 473-2464

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

## PUBLIC NOTICE

Department of State  
F-2011-0892

Date of Issuance - February 15, 2012

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program. The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

In F-2011-0892, The Rochester Yacht Club is proposing to perform maintenance dredging of the existing marina located at 5555 St. Paul Boulevard, City of Rochester, Monroe County. A total of 15,000 cubic yards (cy) of sediment is proposed to be removed over a 5yr period with a maximum of 5,000 cy in any one year. The material is proposed to be disposed of at the open lake disposal site in Lake Ontario.

Any interested parties and/or agencies desiring to express their views concerning the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 15 days from the date of publication of this notice, or, by March 1, 2012.

*Comments should be addressed to:* Department of State, Division of Coastal Resources, One Commerce Plaza, Suite 1010, 99 Washington Ave., Albany, NY 12231, (518) 474-6000, Fax (518) 473-2464

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

## PUBLIC NOTICE

Uniform Code Regional Boards of Review

Pursuant to 19 NYCRR 1205, the petitions below have been received by the Department of State for action by the Uniform Code Regional Boards of Review. Unless otherwise indicated, they involve requests for relief from provisions of the New York State Uniform Fire Prevention and Building Code. Persons wishing to review any petitions, provide comments, or receive actual notices of any subsequent proceeding may contact Steven Rocklin, Codes Division, Department of State, One Commerce Plaza, 99 Washington Ave.,

Albany, NY 12231, (518) 474-4073 to make appropriate arrangements.

2011-0462 Matter of Lyons Falls Bible Fellowship attn: Jeff Ford, 3938 State Route 12, Lyons Falls, New York 13368. The petitioner requests a variance to construct a one-story addition to an existing church building without providing an automatic fire sprinkler system as required by the Building Code of New York State. Section 903.2.1.3. The petitioner also requests a variance to allow a woven carpet material to be installed on the walls in the proposed youth recreation area that meets the Class A rating as required in Section 803, but has not been tested to the NFPA 286 standard as required by Section 803.2 of the Building Code of New York State. The building is located at 3939 State Route 12, Village of Lyons Falls, County of Lewis, State of New York.

2012-0006 Matter of John Stensrud, WZ890N3212 Lost Creek Court, Pewaukee, Wisconsin 53072, for a variance concerning fire safety requirements including relief from requirements to provide a required sprinkler system. The building is classified as an R 2 (permanent occupancy) apartment building, three stories in height, of Type V A (protected wood frame) construction, approximately 6,240 square feet in gross area, and is located at 36 Chamberlain Street, in the City of Rochester, Monroe County, State of New York.

2012-0025 Matter of Paul Decker for Tops Markets, PO Box 1027, Buffalo, New York 14240, for a variance concerning fire safety requirements including relief from requirements to provide a toilet facility room. The building is classified as an A3 (assembly occupancy) Church, one story in height, of Type V b (unprotected wood frame) construction, approximately 4,329 square feet in gross area, and is located at the Carthage Mennonite Church, County Road 45, in the Town of Champion, Jefferson County, State of New York.

2012-0045 Matter of OLV Renaissance Corp, 55 Melroy Ave., Lackawanna, NY 14218 for a variance concerning the NYS Building Code 2010 Edition and NYS Fire Code 2010 edition, code section 1008.1.8, installation of egress door shall be readily operable from egress side without use of key or special knowledge or effort.

Involved is the petitioner request to waive requirement of Section 1008.1.8 and use electrified lock which is released by a card swipe, fire alarm, sprinkler system detection system. The subject property consists of a seven-story Building Occupancy Group I-2, Type 1A Construction, having a cumulative gross floor area of 313,760 square feet, located at OLV Renaissance Corp, Inc., 55 Melroy Avenue, Lackawanna, Erie County, State of New York.
