PUBLIC NOTICE

Department of Health

On July 15, 1997, New York State's Medicaid demonstration program "The Partnership Plan" was approved by the Federal government under Section 1115 of the Social Security Act. This waiver has been extended and amended to reflect programmatic needs. Under the waiver, the State is required to seek Federal approval of any amendments. New York is seeking approval of an amendment to the waiver that will address the phase-out of the Family Health Plus (FHPlus) program as requirements of the Affordable Care Act (ACA) are implemented. The changes include the following:

- Individuals renewing coverage between October 1, 2013 and March 31, 2014, if determined eligible for FHPlus, will be authorized for twelve months but not beyond December 31, 2014, the date on which the program will end.
- Effective April 1, 2014, as cases are renewed, eligibility will be redetermined for FHPlus parents and caretaker relatives using new Modified Adjusted Gross Income (MAGI) eligibility rules. This will be done through the local departments of social services for at least six months or until the new eligibility system is fully automated.
- Parents and caretaker relatives with income up to 138% FPL will be transitioned to the Alternative Benefit Plan as they renew effective April 1, 2014.
- For parents and caretaker relatives with income over 138% FPL but at or below 150% FPL, Medicaid will pay the enrollee's share of the premium when transitioned to a qualified health plan (QHP). New York is seeking federal financial assistance to pay the enrollee's share of the premium.
- Transition recipients to other coverage options, including Medicaid or enrollment in a QHP while receiving Advanced Premium Tax Credits to assist with premiums.

In addition, New York is seeking waiver authority to streamline Medicaid enrollment by implementing Express Lane Eligibility and utilizing the eligibility determination of temporary assistance applications.

Additional information concerning the Partnership Plan and the proposed amendments can be obtained by writing to: Department of Health, Bureau of Medicaid Enrollment and Exchange Integration, Division of Health Reform and Health Insurance Integration, Corning Tower – Attention: Peggy Noonan - OCP, Suite 826, Albany, NY 12237, e-mail: man08@health.state.ny.us
