NOTICE OF PUBLIC HEARING Department of Health

Pursuant to 42 CFR Section 431.408, the Department of Health hereby gives notice of the following:

Operating since 1997, New York State's Medicaid Section 1115 Partnership Plan Waiver has been critical in successfully improving access to health services and outcomes for the poorest and most at risk residents. The waiver allows the State to operate a managed care program which provides comprehensive and coordinated health care to Medicaid recipients, thereby improving their overall health coverage.

New York State is requesting approval from CMS to extend the Partnership Plan Demonstration for an additional five years, from January 1, 2015 through December 31, 2019, in order for the State to reinvest federal savings generated by the Medicaid Redesign Team (MRT) reform initiatives and to reinvest in the state's health care system currently authorized by the Partnership Plan. Additionally, the New York State Department of Health is currently in negotiations with CMS to amend the Partnership Plan to continue MRT initiatives, and implement the MRT/Delivery System Reform Incentive Payment (DSRIP) plan, and to integrate behavioral health benefits and populations into managed care.

The complete extension application, which includes an interim evaluation of the Partnership Plan which assesses the degree to which the Demonstration goals have been achieved and key activities that have been implemented, can be found on the Partnership Plan Section 1115 Waiver Information website at: http://www.health.ny.gov/health_care/medicaid/redesign/medicaid_waiver_1115.htm

The public is invited to review and comment on the State's proposed waiver extension request. Public Hearings are scheduled for:

The State Comptroller, pursuant to Sections 109 (a) and 409 (a) of the Retirement and Social Security Law has received, from the New York State and Local Retirement Systems, a listing of beneficiaries or estates having unclaimed amounts in the Retirement System.
