NOTICE OF PUBLIC HEARING Hudson River Park Trust

Notice of Public Hearing and Public Review and Comment Period regarding both a Proposed Lease Between Hudson River Park Trust and Pier 55, Inc. and a Proposed Amendment to Hudson River Park's General Project Plan

Pursuant to the Hudson River Park Act, the Hudson River Park Trust ("Trust") hereby gives notice of a public hearing to address (i) a proposed 20-year Lease, with an option to renew for a maximum 30-year Lease, between the Trust and Pier55, Inc., a not-for-profit corporation, for the redevelopment of Pier 54 and subsequent operation of a public open park space with cultural programming; and (ii) an amendment to the Hudson River Park General Project Plan originally adopted on July 16, 1998 reflecting the proposed Pier 54 redevelopment.

Date and Time: December 17, 2014, 5:30 P.M. - 8:00 P.M.

Place: Eisner and Lubin Auditorium
New York University Kimmel Center
60 Washington Square South, 4th Floor
PHOTO IDENTIFICATION IS REQUIRED TO
ENTER THE FACILITY

Purpose: To allow the public to review and comment on proposed significant plans and proposed actions within the Park pursuant to the Hudson River Park Act and Environmental Assessment Statement regarding the potential environmental impacts of the proposed action.

The Trust is providing the public an opportunity to review and comment on a proposed lease between the Trust and Pier55, Inc., a not-for-profit corporation. The proposed Lease term is 20 years, with an option to extend for ten more years, and obligates Pier55, Inc. to commit substantial funding for the reconstruction of Pier 54 (to be located between the existing Pier 54 footprint and the Pier 56 pile field) and for the on-going operation and maintenance of the completed pier. The Lease contemplates that Pier55, Inc. would redevelop the new pier as public open park space that would also serve as a cultural events space within the Park. Pier55, Inc. would fund the operations of cultural events on the new pier, with a majority of events each year to be available to the public on a free or low cost basis. The permitted events that Pier55, Inc. would fund and produce include: public performances of vocal, instrumental and other music; dramatic works, opera, theater and public readings of prose or poetry; public talks by academics, writers and public figures; performance art; dance performances; art displays, installations and exhibitions; films; and other similar events. Pier55, Inc. would also be allowed to conduct fundraising events and operate limited concessions on the pier. The Trust will also use the new pier for its programming and events. The new pier will be open and accessible to the public consistent with overall Park's operating hours, with closures limited to the extent reasonably necessary for safety or to accommodate permitted events. The proposed Lease also includes other information on security, maintenance and other operational requirements and obligations of both Pier55, Inc. and the Trust.

The proposed Lease would require a minimum design and construction financial commitment by Pier55 Inc. of over one hundred million dollars (\$100,000,000). In addition, Pier55, Inc. will be responsible for all costs associated with cultural programming, and for the cost of maintaining the landscape and other pier amenities. The Lease provides that, after ten years, Pier55, Inc. may either continue to operate and maintain the pier for the remainder of the Lease term, or make a contribution to support its future maintenance. The Trust has committed to expend seventeen million dollars (\$17,000,000) in City capital funds, and five hundred thousand dollars (\$500,000) in other public monies, towards Pier 54's redevelopment, and to be responsible for maintaining the support piles and other structural components of the pier.

Additionally, the 1998 Hudson River Park General Project Plan will be amended to reflect the current plans for the redevelopment of Pier 54.

A copy of the proposed Lease and Amendment to the General Project Plan Amendment can be found on the Trust's website at www.hudsonriverpark.org. A copy of a draft of the Environmental Assessment Statement for the proposed project can also be found on the Trust's website.

In addition to the public hearing, the public will have an opportunity to provide written comments to the Trust. The public comment period extends from November 17, 2014 to January 16, 2015. Comments may be sent by regular mail to William Heinzen, Esq., Hudson River Park Trust, Pier 40, 2nd Floor, 353 West Street, New York, N.Y. 10014 or by email to Pier54comments@hrpt.ny.gov. The public hearing is being held in compliance with the requirements of the Hudson River Park Act regarding significant actions.
