## NOTICE OF PUBLIC HEARING

### New York Homes and Community Renewal New York State Annual Action Plan

To administer federal funds for the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) programs, New York State must prepare an Annual Action Plan (AAP). New York State's next AAP will describe the State's anticipated use of federal CDBG, HOME, ESG, and HOPWA funds in 2015 to address affordable housing and community development needs identified in its Consolidated Plan for 2011-2015. This AAP will also describe the State's methods for distributing these funds to local grantees.

Interested individuals and organizations are encouraged to participate in the development of New York State's 2015 AAP by submitting written comments to: NYS HCR, Attention: Alison Russell, 38-40 State Street, Albany, NY 12207, or [HCRConPln@nyshcr.org](mailto:HCRConPln@nyshcr.org). All written comments must be received by June 13, 2014.

The public is encouraged to offer oral comments at public hearings on June 3 and June 4, 2014. On June 3, the first public hearing will be held from 10:00 am until 11:00 am and the second from 2:00 pm until 3:00 pm. On June 4, the first public hearing will be held from 12:30 pm until 1:30 pm and the second from 2:30 pm until 3:30 pm. At these dates and times, hearings will be held concurrently at the following four New York State Homes and Community Renewal offices: 25 Beaver Street in New York City; 38-40 State Street in Albany; 620 Erie Boulevard West in Syracuse; and 535 Washington Street in Buffalo. ## PUBLIC NOTICE Department of Health

Pursuant to 42 CFR Section 440.305 (d), the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for public health insurance coverage that will impact certain non-disabled, non-pregnant adults, ages 19 – 64 for whom New York already provides public health insurance coverage to comply with federal requirements under the Patient Protection and Affordable Care Act (ACA). The following Medicaid Benefit Changes under the ACA are proposed:

The ACA established a new Medicaid eligibility category that provides coverage to non-elderly, non-pregnant individuals with family income below 133 percent Federal Poverty Level (FPL) who are not entitled to or enrolled in Medicare Part A, not enrolled in Medicare Part B, and not eligible under any other Medicaid eligibility category. The ACA required that most individuals covered under the new eligibility group be enrolled in Medicaid Alternative Benefit Plans (ABP). Medicaid Alternative Benefit Plans must provide a minimum set of standard health benefits known as Essential Health Benefits (EHB).

The New York State Department of Health will provide the Medicaid State Plan as the Alternative Benefit Plan to the new Medicaid eligible population group. This will allow for continuity of coverage for individuals currently enrolled, provide for equity of coverage for new enrollees coming into the program and assure the health care needs of the population are met by a cost effective benefit plan that complies with the EHB requirement. Children under 21 years of age who are eligible under the Medicaid State Plan in a category under section 1902(a)(10)(A)(i)(VIII) of the Act, will have access to early and periodic screening, diagnostic and treatment (EPSDT) services through their health plans. EPSDT services are a covered benefit in the New York State Medicaid Managed Care Benefit Package. Enrollees in the Alternative Benefit Plan will receive information from their health plan on all covered benefits. Information on covered benefits is available to enrollees online at [www.health.ny.gov](http://www.health.ny.gov). Physicians and licensed medical providers receive information from the New York State Department of Health and the health plans they participate with on covered benefits and reimbursement for medical services provided to enrollees in the Alternative Benefit Plan.

State Medicaid expenditures will decrease for State Fiscal Year 2013-2014, as a result of adopting the Alternative Benefit Plan. The State will receive enhanced federal financial participation for the new adult group eligibility category provided the benefits conform to the ABP requirements of the ACA. Federal financial participation will be 100 percent for newly eligible individuals and 75 percent for current enrollees. Tribes, tribal health programs and urban Indian health programs were given the opportunity to provide input in the development of this State Plan Amendment. The public is invited to review and comment on this proposed State Plan Amendment. *Additional information concerning the Alternative Benefit Plan can be obtained by writing to:* Department of Health, Division of Eligibility and Marketplace Integration, One Commerce Plaza, Suite 1200, Albany, New York 12237, Attention: Dawn Oliver
