PUBLIC NOTICE

Department of Health

In July 1997, New York State received approval from the federal government of its Section 1115 waiver request, known as the Partnership Plan. Approval of this waiver allowed the State to implement a mandatory Medicaid managed care program in counties with sufficient managed care capacity and the infrastructure to manage the education and enrollment processes essential to a mandatory program.

This letter is to notify you that New York State will request a waiver amendment from the federal government that allow for revisions to the state's MRT Waiver Amendment. The MRT Waiver Amendment was approved in April 2014, and reinvests \$8 billion in savings generated by the Medicaid Redesign Team (MRT) reforms to transform the state's health care delivery system, bend the Medicaid cost curve, and assure access to quality care for Medicaid members. The proposed revisions will not change the structure or intent of the waiver amendment programs; the revisions are intended to provide clarity, add detail and better reflect the program and policy implementation to date. In addition, the revisions will provide additional detail and reflect actual spending of waiver amendment dollars to date and revised projections of sources and uses in future years.

Additional information concerning the Partnership Plan and any amendment requests can be obtained by writing to: Department of Health, Office of Health Insurance Programs, Corning Tower (OCP Suite 720), Attention Waiver Management Unit, Albany, NY 12237 or by email: 1115waivers@health.ny.gov

Written comments concerning the amendment will be accepted at the above address for a period of thirty (30) days from the date of this notice. More details will be made available at the state's MRT waiver website at http://www.health.ny.gov/health_care/medicaid/redesign/mrt_waiver.htm.

 Department of State
 Notice of Review for the
 Village of Macedon
 Draft Local Waterfront Revitalization Program

PURSUANT to Article 42 of the New York State Executive Law and 19 NYCRR Part 601, the New York State Department of State (DOS) has accepted a Draft Local Waterfront Revitalization Program (LWRP) for the Village of Macedon, located within Wayne County and the Finger Lakes region.
