MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISES (M/WBE) COMPLIANCE

In accordance with Section 312 of Article 15-A of the Executive Law, NYS Homes and Community Renewal requires contractors and

awardees to make affirmative efforts to ensure that New York State certified Minority and Women Owned Business Enterprises have opportunities for meaningful participation on projects awarded funding by the Housing Trust Fund Corporation and the Affordable Housing Corporation.

On October 1, 2014, Governor Andrew M. Cuomo announced that his Administration is increasing its goal for MWBE state contracting utilization to 30 percent, the highest such target for any state in the nation. You can read more about the Governor's announcement at <http://www.governor.ny.gov/press/10114-mwbe-contracting>.

NEW YORK STATE GRANTS GATEWAY PREQUALIFICATION

The New York State Grants Gateway is a statewide effort designed to improve the way the State administers grants by simplifying and streamlining the grants management process.

Effective August 1, 2013, not-for-profit organizations must be prequalified in order to do business with New York State. In order to prequalify, not-for-profit organizations must submit an online Prequalification Application through the Grants Gateway. The Prequalification Application is comprised of five components to gauge your organizational structure and the types of services you provide. The required forms and document uploads are all part of the Grants Gateway Document Vault. Resources to complete the application and associated document vault can be found in the Quick Links Section of the Grants Gateway page at <http://grantsreform.ny.gov/>.

Prequalification is designed as a way for not-for-profits to interact more directly with State agencies before they compete for State contracts, enabling them to make adjustments and answer concerns prior to entering a competitive bid process. Once they have been prequalified, multiple State agencies will have ready access to the prequalification materials, eliminating redundant submissions of such information by the vendor. Not-for-profits only have to formally prequalify every 3 years, with the responsibility to keep their information current throughout the 3 year period.

PLEASE NOTE: Not-for-Profit applicants that are not prequalified through the New York State Grants Gateway by the application deadline of Wednesday, September 28, 2016, will not be eligible to receive funds, and any applications submitted to the OCR will be deemed ineligible for review and consideration.
