ELIGIBLE NONPROFIT ORGANIZATIONS LOCATED WITHIN
THE NEW YORK CITY URBAN AREA

Federal Fiscal Year 2016 Urban Area Security Initiative (UASI) Nonprofit Security Grant Program (NSGP)

Description:

Request for Applications (RFA) for up to \$75,000 in federal Urban

Area Security Initiative (UASI) Nonprofit Security Grant Program
(NSGP) funding made available by the NYS Division of Homeland
Security and Emergency Services (DHSES) from the U.S. Depart-
ment of Homeland Security Federal Emergency Management Agency.
There is a total of \$20 million nationally in funding available under
this grant program and funds will be awarded competitively based on
the submission of applications by eligible nonprofit organizations lo-
cated within the New York City Urban Area.

Funding will be awarded to support target hardening activities to
nonprofit organizations (as described under section 501(c)(3) of the
Internal Revenue Code of 1986 and exempt from tax under section
501(a) of such Code) that are at high risk of terrorist attack due to
their ideology, beliefs, or mission and are located within the New
York City Urban Area (includes the Cities of New York and Yonkers
and the Counties of Westchester, Nassau and Suffolk). The program
seeks to integrate nonprofit preparedness activities with broader state
and local preparedness efforts. It is also designed to promote coordina-
tion and collaboration in emergency preparedness activities among
public and private community representatives, as well as State and lo-
cal government agencies.

Due to the competitive nature of this program, funding preference
will be given to nonprofit organizations that have not received prior
years funding.

Applications will be accepted only through March 28, 2016,
through New York State's Division of Homeland Security and Emer-
gency Services (NYS-DHSES) electronic grants management system
(E-Grants).
