PUBLIC NOTICE

Department of Health

Pursuant to 42 CFR Section 447.272, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for institutional services to comply with enacted Chapter 57 of the laws of 2015. The following provides a clarification to provisions previously noticed on March 30, 2016.

Institutional Services

For the state fiscal year beginning April 1, 2016 through March 31, 2017, continues public general hospital adjustments, not specialty hospital adjustments, as stated in the previous notice, for hospital inpatient services provided on and after April 1, 2012, to public general hospitals, other than those operated by the State of New York or the State University of New York, located in a city with a population of over one million and receiving reimbursement of up to \$1.08 billion annually based on criteria and methodology set by the Commissioner of Health, which the Commissioner may periodically set through a memorandum of understanding with the New York City Health and Hospitals Corporation. Such adjustments shall be paid by means of one or more estimated payments, which shall be reconciled to the final adjustment determinations after the disproportionate share hospital payment adjustment caps have been calculated for such period under sections 1923(f) and (g) of the federal Social Security Act. Payments to eligible public general hospitals may be added to rates of payment or made as aggregate payments.

There is no additional estimated annual change to gross Medicaid expenditures as a result of the clarifying proposed amendments.

The public is invited to review and comment on this proposed State Plan Amendment (SPA). Copies of which will be available for public review on the Department's website at http://www.health.ny.gov/regulations/state_plans/status. In addition, approved SPA's beginning in 2011, are also available for viewing on this website.

Copies of the proposed State Plan Amendments will be on file in each local (county) social services district and available for public review.

PUBLIC NOTICE

Department of State
F-2016-0446

Date of Issuance – September 28, 2016

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program. The applicant’s consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York and http://www.dos.ny.gov/opd/programs/pdfs/Consistency/F-2016-0446__ConsistencyCertification.pdf.

In F-2016-0446, National Fuel Gas Supply Corporation and Empire Pipeline, Inc., both subsidiaries of National Fuel Gas Company (collectively referenced as National Fuel), are proposing the Northern Access 2016 Project. This proposal is to construct, operate, and maintain a natural gas transmission pipeline and related facilities in Allegany, Cattaraugus, Erie, and Niagara Counties, New York. The purpose of the proposed is to provide incremental firm transportation of approximately 350,000 dekatherms per day of capacity to markets in the northeastern United States and Canada through National Fuel’s existing interconnections. The proposed consists of the following: 96.9 miles of 24 inch diameter pipeline in McKean County, Pennsylvania and Allegany, Cattaraugus, and Erie Counties, New York; 0.9 mile of 16 inch diameter pipeline and 1.2 miles of 24 inch diameter pipeline in Niagara County, New York; a new 22,000 horsepower (hp) compressor station in Niagara County; an additional 5,000 hp of compression at an existing compressor station in Erie County; a metering, regulation, and delivery station in Erie County; a dehydration facility in Niagara County; tie ins in McKean, Cattaraugus, and Erie Counties; modification of tie in facilities in Niagara County; mainline block valves in McKean, Allegany, Cattaraugus, and Erie Counties; and access roads and contractor/staging yards in McKean, Allegany, Cattaraugus, and Erie Counties.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or, October 28, 2016.

Comments should be addressed to the Consistency Review Unit, Department of State, Office of Planning and Development, One Commerce Plaza, 99 Washington Ave., Albany, NY 12231, (518) 474-6000, Fax (518) 473-2464. Electronic submissions can be made by email at: CR@dos.ny.gov.

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
F-2016-0810 (DA)

Date of Issuance – September 28, 2016

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The U.S. Army Corps of Engineers (ACOE) has determined that the proposed activity will be undertaken in a manner consistent to the maximum extent practicable with the enforceable policies of the New York State Coastal Management Program. The applicant’s consistency determination and accompanying supporting information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue

in Albany, New York and at http://www.dos.ny.gov/opd/programs/pdfs/Consistency/F-2016-0810__ConsistencyDetermination.pdf.

In F-2016-0810 (DA), the ACOE is proposing a coastal storm risk management project in the Town of Southold, Suffolk County, New York, on the North Fork of Long Island, at Hashamomuck Cove. The study area is a 1.5 mile long stretch of coastal shoreline and includes three component coves. The proposed plan is for placement of fill material at the West, Central, and East coves to rebuild the beaches with a 25 foot to 75 foot wide berm and beach fill for approximately 8,500 feet. The source of the initial sand for the beach fill will be from an upland offsite source. Periodic re-nourishment is anticipated every 10 years over a 50 year period with sand trucked in from a certified upland source. The purpose of the proposed is to reduce coastal storm and erosion risks to critical infrastructure including County Road 48 and utilities along its corridor.

Any interested parties and/or agencies desiring to express their views concerning the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or, October 28, 2016.

Comments should be addressed to the Department of State, ATTN: Consistency Review Unit, One Commerce Plaza, 99 Washington Ave., Suite 1010, Albany, NY 12231, (518) 474-6000, Fax (518) 474-6572. Comments can also be submitted electronically via email at: CR@dos.ny.gov.

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.
