F-2018-1265

Date of Issuance – February 13, 2018

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activities comply with and will be conducted in a manner consistent to the maximum extent practicable with the federally approved New York State Coastal Management Program (NYSCMP). The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

In F-2018-1265, the applicant, PWIB Claudio Real Estate, LLC, is seeking permit authorization(s) required to rehabilitate aging, failing bulkheads, dock, decking, and other structural members associated with the operation of an historic dining establishment in the Village of Greenport, Suffolk County. The site is a commercial waterfront property with dockage and has been continuously operated as a single-family run restaurant (known commonly as Claudio's Restaurant and Clam Bar) for well over a century.

New owners, since 2017, are proposing to continue operation as Claudio's and are seeking permits to perform renovations which will entail necessary safety improvements including replacement of existing failing bulkheads, replacement and upgrades to structural framing components and pilings, and complete removal and replacement of a wooden deck system of the Clam Bar dock at the southeastern water edge of the property. New structures will be updated to meet today's industry standards and anticipated loading conditions.

The proposed activities would be undertaken within the Village of Greenport Local Waterfront Revitalization Program (LWRP) planning area. As the LWRP is a component of the NYSCMP, activities under federal permitting authority are also subject to review for their consistency with the local program and its specific provisions and policies. More information regarding the LWRP and its policies may be found at: https://docs.dos.ny.gov/opd-lwrp/LWRP/Greenport_V/Index.html

The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.
