PUBLIC NOTICE

Department of State
 F-2018-0334

Date of Issuance – January 2, 2019

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act (CZMA) of 1972, as amended.

The applicant has certified that the proposed activities comply with and will be conducted in a manner consistent with the federally approved New York State Coastal Management Program (NYSCMP). The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York, and portions of the application are available for review at: http://www.dos.ny.gov/opd/programs/pdfs/Consistency/F-2018-0334_GallooWindForPN.pdf

The proposed activities are also the subject of related applications under Articles 10 and VII of the New York State Public Service Law. Additional information on these applications can be found here:

- Article 10 Application to Construct a Wind Energy Project (15-F-0327): <http://documents.dps.ny.gov/public/MatterManagement/CaseMaster.aspx?MatterCaseNo=15-F-0327>; and
- Article VII to Construct an Approximately 33-Mile Underground/Submarine Transmission Facility (18-T-0015): <http://documents.dps.ny.gov/public/MatterManagement/CaseMaster.aspx?MatterCaseNo=18-00057>

In F-2018-0334, Galloo Island Wind, LLC is proposing the Galloo Island Wind Project and associated necessary infrastructure in the Town of Hounsfield and Village of Sackets Harbor, Jefferson County, and the City of Oswego, Oswego County. The stated purpose of the project is the generation and transmission of renewable energy to the New York State power grid.

Galloo Island Wind, LLC proposes to install and operate up to 30 wind turbines along with associated underground collection lines, access roads, collection substation components, meteorological towers, an operation and maintenance building, and related facilities on Galloo Island, in the Town of Hounsfield. The wind generating facility would have a nameplate generating capacity of 108.9 megawatts (MW). A temporary parking area would be constructed in a portion of Madison Barracks in the Village of Sackets Harbor from which equipment and construction workers would embark to Galloo Island. The project would interconnect to the New York State power grid by constructing an underwater, alternating current (AC) electric transmission cable that would extend approximately 33 miles in Lake Ontario and interconnect near the Mitchell Street Substation in the City of Oswego.

The proposed activity would be located within or has the potential to affect the following Special Management or Regulated Area(s):

- Village of Sackets Harbor Local Waterfront Revitalization Program: https://docs.dos.ny.gov/opd-lwrp/LWRP/Sackets%20Harbor_V/Index.html;
- City of Oswego Local Waterfront Revitalization Program: https://docs.dos.ny.gov/opd-lwrp/LWRP/Oswego_C/Index.html;

- Little Galloo Island, Calf Island, and Stony Island Significant Coastal Fish and Wildlife Habitats: <https://www.dos.ny.gov/opd/programs/consistency/sfwhabitats.html>;

- Coastal Erosion Hazard Area: Natural Protective Feature.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice or February 1, 2019.

Comments should be addressed to: Department of State, Office of Planning and Development and Community Infrastructure, Consistency Review Unit, One Commerce Plaza, Suite 1010, 99 Washington Ave., Albany, NY 12231, (518) 474-6000. Electronic submissions can be made by email at: CR@dos.ny.gov

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
F-2018-1151

Date of Issuance – January 2, 2019

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program. The applicant’s consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York, and are available for review at: http://www.dos.ny.gov/opd/programs/pdfs/Consistency/F-2018-1151_Application.pdf

In F-2018-1151, ELP Greenport Solar, LLC, is proposing to construct a community solar facility at 4407 Route 9, City of Greenport, Columbia County. The stated purpose of the proposed activity is to provide local renewable energy. The federal activity subject to consistency review is the installation of a wetland crossing to support the construction and operation of this facility. A 24-inch diameter HDPE pipe would be installed at an existing trail to maintain hydrologic connectivity between wetlands on either side of the proposed access. Approximately 5 cubic yards of riprap and 32 cubic yards of gravel would be placed within the delineated wetlands. The project has minimized wetland impacts by crossing at the narrowest point.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or, February 1, 2019.

Comments should be addressed to Department of State, Office of Coastal, Local Government and Community Sustainability, One Commerce Plaza, 99 Washington Ave., Albany, NY 12231, (518) 474 6000, Fax (518) 473-2464.

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.
