NOTICE OF PUBLIC HEARING

Department of State
Division of Community Services

SUBJECT: Proposed State Application and Plan for FFY 2020 and FFY 2021 for the Community Services Block Grant (CSBG) Program.

PURPOSE: To obtain input regarding the Department of State's proposed CSBG Application and Plan for Federal Fiscal Years 2020 and 2021 (Plan). This revises the Notice provided on May 15, 2019, by amending the time period in which the public may submit the Public Hearing Reply Form and written comments.

Federal CSBG funds are awarded to grantees in all counties of New York State. Community action agencies, community-based organizations, and Indian tribes or tribal organizations receive CSBG funds to provide advocacy, outreach, services and programs for economically disadvantaged persons in their local communities. The hearing will focus on the New York State Department of State's Plan for federal fiscal years 2020 and 2021. The Plan delineates the manner in which funds will be expended and how the State will meet the federal CSBG program requirements during the applicable time period covered by the Plan. Pursuant to 42 U.S.C. § 9908, the Department of State Division of Community Services will be holding this public hearing at the time and place as follows:

June 13, 2019 from 10:00am until 1:00pm

One Commerce Plaza

99 Washington Ave.

Rm. 505

Albany, NY 12231

With videoconference to:

123 William St.

Conference Rm. 231

New York City, NY 10038

and

65 Court St.
Rm. 208
Buffalo, NY 14202

The Plan may be obtained from the Department of State website at:
<http://www.dos.ny.gov/dcs/documents.htm>

Or by writing to:
Department of State
Division of Community Services
One Commerce Plaza
99 Washington Ave., Suite 1020
Albany, NY 12231-0001

Persons wishing to present testimony at the public hearing on the proposed Plan are requested to complete the Public Hearing Reply Form (available at <http://www.dos.ny.gov/dcs/documents.htm>) and mail to the above address or provide it by e-mail to dos.sm.dcs@dos.ny.gov on or before June 12, 2019. Written comments on the proposed Plan may be submitted until the close of business on July 1, 2019.

Oral testimony will be limited to 10 minutes. In preparing the order of witnesses, DOS will attempt to accommodate individual requests to speak at particular times in view of special circumstances. These requests should be made on the Public Hearing Reply Form or communicated to DOS staff as early as possible. In the absence of a request, witnesses will be scheduled in the order in which reply forms are postmarked. Five copies of any prepared testimony should be submitted at the hearing registration desk. DOS would appreciate advance receipt of prepared statements.

PUBLIC NOTICE Department of Health

The Department of Health is pleased to announce the date for the Public Comment Day for New York's 1115 Waiver programs.

The Public Comment Day will be held on June 24, 2019 at SUNY School of Public Health's Auditorium, 1 University Place, Rensselaer, NY 12144 from 1:00pm – 4:00pm. Any updates related to the forum will be sent via the MRT Listserv. Any written public comment may be submitted through July 5, 2019 to 1115waivers@health.ny.gov. Please include "1115 Public Forum Comment" in the subject line.

About the 1115 waiver:

- The 1115 waiver, also known as the MRT Waiver in New York State, is an agreement between the federal Centers for Medicare and Medicaid Services (CMS) and New York State that allows the State to use a managed care delivery system to deliver benefits to Medicaid recipients, create efficiencies in the Medicaid program, and enable the extension of coverage to certain individuals who would otherwise be without health insurance.

- The MRT waiver is a vehicle by which the State has implemented the initiatives of the Medicaid Redesign Team and subsequent health systems reforms, including the Delivery System Reform Incentive Payment (DSRIP) program.

- In addition, New York's goals in implementing its MRT waiver include improving access to health services and better health outcomes for New Yorkers through multiple programs.

This meeting will be webcast live (<https://www.health.ny.gov/events/webcasts/>) and will be open to the public. No pre-registration is required. Individuals who wish to provide comment will be asked to register on site no later than 2pm and will speak in their order of registration. We kindly request that all comments be limited to 5 minutes per presenter to ensure that all public comments may be heard.

Following the meeting, the Department will post a transcript of the public comment day as well as any submitted written public comment to our website here: https://www.health.ny.gov/health_care/medicaid/redesign/medicaid_waiver_1115

Please direct all questions to: 1115waivers@health.ny.gov

Additionally, responses from small and New York City-based businesses are also encouraged.

PUBLIC NOTICE

Department of State
F-2017-0612

Date of Issuance – June 12, 2019

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act (CZMA) of 1972, as amended.

The applicant has certified that the proposed activities comply with and will be conducted in a manner consistent with the federally approved New York State Coastal Management Program (NYSCMP). The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York. The project description, consistency certification, and coastal policy analysis are available for review at: http://www.dos.ny.gov/opd/programs/pdfs/Consistency/F-2017-0637_NESE.PartialApp ForPN.pdf

This project was also the subject of a coordinated Environmental Review. The Federal Energy Regulatory Commission (FERC) is the lead agency for the environmental review of interstate natural gas pipelines under the federal Natural Gas Act. FERC staff prepared a Final Environmental Impact Statement (FEIS), dated January 25, 2019 for the NESE Project, Docket No. CP17-101, pursuant to the National Environmental Policy Act (NEPA). The FERC FEIS can be viewed and downloaded at: https://elibrary.ferc.gov/idmws/docket_search.asp by entering the Docket No. and the date of the FEIS in the search boxes.

In F-2017-0612, Transcontinental Gas Pipe Line Company, LLC is proposing the Northeast Supply Enhancement Project (NESE Project), which involves installing and operating a 26-inch diameter pipeline that would transport natural gas from Pennsylvania through New Jersey, travelling underwater in the Raritan Bay and Lower New York Bay to approximately three miles offshore of the Rockaway

Peninsula in Queens Borough. The NESE Project includes components in Pennsylvania, New Jersey, and New York, although the activity subject to consistency review only pertains to aspects of the NESE Project that may affect New York's coastal uses and resources.

The NESE Project would connect to the existing Rockaway Delivery Lateral in Queens and would provide 400,000 dekatherms per day of incremental capacity to National Grid to serve customers in Brooklyn, Queens, and Long Island. Approximately 23.5 miles of underwater pipeline would be installed, of which approximately 17.4 miles would be in New York State waters (Queens County and Richmond County). The NESE Project would be installed a minimum of 4 feet below the sea floor through a combination of jet trenching, clamshell dredging and horizontal directional drilling (HDD). Deeper burial depths are proposed beneath navigational channels.

Construction would be phased to minimize potential impacts to marine habitats and potential use conflicts. The stated purpose of the project is to support the long-term growth, reliability, and flexibility of National Grid's existing natural gas system as well as help displace the use of oil.

The proposed activity would be undertaken within the New York City Waterfront Revitalization Program (WRP). As the WRP is a component of the NYSCMP, activities under federal permitting authority are also subject to review for their consistency with the local program and its specific provisions and policies, which are available for review at: <https://waterfrontnavigator.nyc.gov/agency-contacts-information/nyc-dcp/>

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice or July 12, 2019.

Comments should be addressed to: Department of State, Office of Planning and Development and Community Infrastructure, Consistency Review Unit, One Commerce Plaza, Suite 1010, 99 Washington Ave., Albany, NY 12231, (518) 474-6000. Electronic submissions can be made by email at: CR@dos.ny.gov

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.
