## PUBLIC NOTICE

### Department of Health

Pursuant to 42 CFR Section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for non-institutional, institutional and long-term care services to comply with proposed statutory provisions. The following changes are proposed:

#### All Services

Effective on or after April 1, 2019 through March 31, 2021 all non-exempt Medicaid payments, as referenced below, will be uniformly reduced. Such reductions will be applied only if an alternative method that achieves at least \$190.2 million in Medicaid state share savings annually is not implemented.

Exemptions from the uniform reduction are as follows:

- Any reductions that would violate federal law including, but not limited to, payments required pursuant to the federal Medicare program;
- Payments pursuant to the mental hygiene law;
- Payments the state is obligated to make pursuant to court orders or judgments;
- Payments for which the non-federal share does not reflect any state funding; and
- Payments where applying the reduction would result in a lower Federal Medical Assistance Percentage as determined by the Commissioner of Health and the Director of the Budget.

The estimated annual net aggregate decrease in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2019/2020 is (\$380.4 million).

Effective on and after April 1, 2019, no greater than zero trend factors attributable to services through March 31, 2024 pursuant to the provisions of Public Health Law § 2807-c(10)(c) to rates of payment for hospital inpatient and outpatient services, inpatient and adult day health care outpatient services provided by residential health care fa-

cilities pursuant to Article 28 of the Public Health Law, except for residential health care facilities or units of such facilities providing services primarily to children under 21 year of age, for certified home health agencies, long term home health care programs, AIDS home care programs, and for personal care services pursuant to section 365-a of the Social Services Law, including personal care services provided in those local social services districts, including New York City, whose rates of payment for services is established by such social services districts pursuant to a rate-setting exemption granted by the Department, and assisted living program services.

The estimated annual net aggregate decrease in gross Medicaid expenditures for state fiscal year 2019/2020 is (\$208.8 million).

#### Non-Institutional Services

Effective on or after April 1, 2019, the reimbursement rate for Early Intervention services furnished by licensed physical therapists (PTs), occupational therapists (OTs), and speech-language pathologists (SLPs) will increase by 5%. This increase would also apply to supplemental evaluations performed by licensed PTs, OTs and SLPs. These rates are being revised to address capacity issues that municipalities are facing statewide for these qualified professionals.

The estimated annual net aggregate increase in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2019/20 is estimated to be \$7.2 million.

Effective on or after April 1, 2019, continues the supplemental upper payment limit payments made to general hospitals, other than major public general hospitals under non-institutional services of \$339 million annually.

For state fiscal year beginning April 1, 2019 through March 31, 2020, continues hospital outpatient payment adjustments that increase the operating cost components of rates of payment for hospital outpatient and emergency departments on and after April 1, 2011, for public general hospitals other than those operated by the State of New York or the State University of New York, which are located in a city with a population of over one million. The amount to be paid will be up to \$287 million annually based on criteria and methodology set by the Commissioner of Health, which the Commissioner may periodically set through a memorandum of understanding with the New York City Health and Hospitals Corporation. Such adjustments shall be paid by means of one or more estimated payments. Payments may be added to rates of payment or made as aggregate payments.

For state fiscal year beginning April 1, 2019 through March 31, 2020, continues upon the election of the social services district in which an eligible diagnostic and treatment center (DTC) is physically located, up to \$12.6 million in additional annual Medicaid payments may be paid to public DTCs operated by the New York City Health and Hospitals Corporation. Such payments will be based on each DTC's proportionate share of the sum of all clinic visits for all facilities eligible for an adjustment for the base year two years prior to the rate year. The proportionate share payments may be added to rates of payment or made as aggregate payments to eligible DTCs.

For state fiscal year beginning April 1, 2019 through March 31, 2020, continues up to \$5.4 million in additional annual Medicaid payments may be paid to county operated free-standing clinics, not including facilities operated by the New York City Health and Hospitals Corporation, for services provided by such DTC and those provided by a county operated freestanding mental health or substance abuse DTC. Distributions shall be based on each eligible facility's proportionate share of the sum of all DTC and clinic visits for all eligible facilities receiving payments for the base year two years prior to the rate year. The proportionate share payments may be added to rates of payment or made as aggregate payments to eligible facilities.

Capital related costs of a general hospital excluding 44% of the major movable costs and excluding staff housing costs will continue effective April 1, 2019 through March 31, 2024 and thereafter.

The estimated annual net aggregate decrease in gross Medicaid expenditures for state fiscal year 2019/2020 is (\$35.1 million).

Extends current provisions for services on April 1, 2019 through March 31, 2024 and thereafter, the reimbursable operating cost component for general hospital inpatient rates will be established with

the 2006 final trend factor equal to the final Consumer Price Index (CPI) for all urban consumers less 0.25%.

#### Institutional Services

Effective on or after April 1, 2019, annual indigent care pool distributions for certain providers will be reduced.

The estimated annual net aggregate decrease in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2019/2020 is (\$275.6 million).

Effective on or after April 1, 2019, continues the supplemental upper payment limit payments made to general hospitals, other than major public general hospitals under institutional services of \$339 million annually.

For state fiscal year beginning April 1, 2019 through March 31, 2020, continues specialty hospital adjustments for hospital inpatient services provided on and after April 1, 2012, to public general hospitals, other than those operated by the State of New York or the State University of New York, located in a city with a population of over one million and receiving reimbursement of up to \$1.08 billion annually based on criteria and methodology set by the Commissioner of Health, which the Commissioner may periodically set through a memorandum of understanding with the New York City Health and Hospitals Corporation. Such adjustments shall be paid by means of one or more estimated payments. Payments to eligible public general hospitals may be added to rates of payment or made as aggregate payments.

Additional medical assistance, known as, Intergovernmental Transfer (IGT) payments, for inpatient hospital services may be made to public general hospitals operated by the State of New York or the State University of New York, or by a county which shall not include a city with a population over one million, and those public general hospitals located in the counties of Westchester, Erie, or Nassau, up to one hundred percent (100%) of each such public hospital's medical assistance, and uninsured patient losses after all other medical assistance, including disproportionate share hospital (DSH) payments to such public general hospitals. Payments will be made by means of one or more estimated distributions initially based on the latest DSH audit results, which shall later be reconciled to such payment year's actual DSH audit uncompensated care costs. Payments may be added to rates of payment or made as aggregate payments. Such payments will continue April 1, 2019 through March 31, 2021.

There is no change in gross Medicaid expenditures for this update.

Extends current provisions for services on April 1, 2019 through March 31, 2024 and thereafter, the reimbursable operating cost component for general hospital inpatient rates will be established with the 2006 final trend factor equal to the final Consumer Price Index (CPI) for all urban consumers less 0.25%.

The estimated annual net aggregate decrease in gross Medicaid expenditures for state fiscal year 2019/2020 is (\$114.5 million).

Capital related costs of a general hospital excluding 44% of the major movable costs and excluding staff housing costs will continue effective April 1, 2019 through March 31, 2024 and thereafter.

The estimated annual net aggregate decrease in gross Medicaid expenditures for state fiscal year 2019/2020 is (\$48.4 million).

Budgeted capital inpatient costs of a general hospital applicable to the rate year will be decreased to reflect the percentage amount by which the budget for the base year two years prior to the rate year for capital related inpatient expenses of the hospital exceeded actual expenses will continue effective April 1, 2019 through March 31, 2024 and thereafter.

The estimated annual net aggregate decrease in gross Medicaid expenditures for state fiscal year 2019/2020 is (\$15.9 million).

Effective for dates of service on or after April 1, 2019, update the historical year Medicaid claims used in the general hospital acute rate statewide price development from 2014 to 2017.

There is no change in gross Medicaid expenditures for this update.

#### Long Term Care Services

Effective on or after April 1, 2019, continues additional payments to non-state government operated public residential health care facili-

ties, including public residential health care facilities located in Nassau, Westchester, and Erie counties, but excluding public residential health care facilities operated by a town or city within a county, in aggregate amounts of up to \$500 million. The amount allocated to each eligible public RHCf will be in accordance with the previously approved methodology, provided, however that patient days shall be utilized for such computation reflecting actual reported data for 2016 and each representative succeeding year as applicable. Payments to eligible RHCf's may be added to rates of payment or made as aggregate payments.

Effective on or after April 1, 2019 and thereafter, the appeals cap in PHL 2808(1)(a)(17)(b) is extended. The current appeals cap provision establishes an eighty-million-dollar annual budget for the processing of rate appeals or reimbursement for construction that has been approved by the commissioner.

There is no additional estimated annual change to gross Medicaid expenditures as a result of the extension.

Effective on or after April 1, 2019 and thereafter the provision that rates of payment for RHCf's shall not reflect trend factor projection or adjustments for the period April 1, 1996 through March 31, 1997 is extended.

The estimated annual net aggregate decrease in gross Medicaid expenditures attributable to this initiative is (\$12.7 million).

Effective on or after April 1, 2019 and thereafter this provision continues a 0.25 reduction in the statutory trend factors of 2006.

The estimated annual net aggregate decrease in gross Medicaid expenditures attributable to this initiative is (\$13.4 million).

Effective on or after April 1, 2019 nursing home reimbursement case mix collections which impact the direct price component of nursing home Medicaid reimbursement. The direct statewide price shall be adjusted by a Medicaid-only case mix and shall be updated for a Medicaid-only case mix in January and July of each year, using the case mix data applicable to the previous period.

The estimated annual net aggregate decrease in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2019-2020 is (\$191 million).

Effective for dates of service on or after April 1, 2019 and thereafter, Certified Home Health Agencies (CHHAs) payments will continue to be based on episodic payments, except for such services provided to children under 18 years of age.

There is no additional estimated annual change to gross Medicaid expenditures as a result of this extension.

Effective on or after April 1, 2019, The Consumer Directed Personal Assistance Program (CDPAP), a personal care service model, permits chronically ill and/or physically disabled individuals receiving home care under the medical assistance program greater flexibility and freedom of choice in obtaining such services. Reimbursement for CDPAP services has been based on a per hour billing methodology. This change will move the administrative reimbursement methodology for CDPAP to a per member per month basis and maintains an hourly/daily reimbursement for service delivery.

The estimated annual net aggregate decrease in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2019-2020 is (\$28.7 million).

Effective on or after April 1, 2019 and thereafter, current provisions for certified home health agency administrative and general costs reimbursement limits are extended.

There is no additional estimated annual change to gross Medicaid expenditures as a result of this extension.

Effective on or after April 1, 2019 and thereafter, the total reimbursable state assessment on each residential health care facility's gross receipts received from all patient care services and other operating income on a cash basis for inpatient or health-related services, including adult day service, but excluding gross receipts attributable to payments received pursuant to Title XVII of the federal Social Security Act (Medicare), at six percent.

The extent to which a facility is reimbursed for the additional cost of the assessment is dependent upon Medicaid volume of services.

The estimated annual net aggregate increase in gross Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2019-2020 is \$536 million.

The public is invited to review and comment on this proposed State Plan Amendment, a copy of which will be available for public review on the Department's website at [http://www.health.ny.gov/regulations/state\\_plans/status](http://www.health.ny.gov/regulations/state_plans/status).
