Due to the tightness of the construction schedule, bidders should consider the necessity for an increased work force and shift operations.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 11:00 a.m. on May 10, 2019 at State Armory, 25 Kiersted Avenue, Kingston, NY. Prospective bidders are urged to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply and all vehicles will be subject to search.

Phone the office of Theresa Swehla, (845) 895-7130 a minimum of 24 hours in advance of the date to provide the names of those who will attend the pre-bid site visit.
