PUBLIC NOTICE Department of State Routine Program Implementation Notice

STATEWIDE -- Pursuant to 15 CFR 923.84 (b), the New York State Department of State (DOS) hereby gives notice that the federal Office of Ocean and Coastal Resource Management (OCRM) concurred on

March 21, 2002 on the incorporation of the Village of Athens Local Waterfront Revitalization Program (LWRP) into the State's Coastal Management Program (CMP) as a Routine Program Change. DOS requested OCRM's concurrence on this action on May 18, 1988 in a previous notice in the State Register which further described the content of the action.

The Local Waterfront Revitalization Program includes the following new or revised enforceable policies: # 1, 2, 4, 5, 7, 11, 13, 18-23, 25, 31, and 34. Other changes to the state's enforceable policies based on the LWRP are essentially the same as those found in state law under 19 NYCRR, Part 600.5. There were minor changes to the coastal zone boundary as described in Section I of the LWRP, and generally consisted of moving the landward boundary 1,600 feet inland in the vicinity of the Village center to maintain a delineation of the ridge line through the Village and incorporate the Sleepy Hollow Lake Dam and urbanized areas outside the historic district.

Pursuant to the State CMP and Article 42 of the Executive Law, the Village of Athens LWRP was adopted by the Village on September 23, 1999 and approved by the New York State Secretary of State on September 20, 2001.

Federal consistency with the Village of Athens LWRP applies as of the date of this notice.

Copies of the LWRP are available for review at the offices of the Department of State, Division of Coastal Resources, 41 State St., Albany, NY 12231.

For further information, contact George R. Stafford, Director, Division of Coastal Resources at (518) 474-6000.
