PUBLIC NOTICE
 Department of State
 Routine Implementation Notice

PURSUANT to 15 CFR 923.84(b), the New York State Department of State (DOS) has submitted to the Federal Office of Ocean and Coastal Resource Management (OCRM) a routine implementation action. The DOS considers this action to be routine and requests OCRM's concurrence in this determination. The change to the New York State Coastal Management Program (CMP) covered by this request is the incorporation of the Village of Manorhaven Local Waterfront Revitalization Program into the State's CMP.

A major component of the State's CMP is the provision that local

governments be allowed to prepare local waterfront revitalization programs which further detail and make geographically specific the State's coastal policies. Each local program will be reviewed for consistency with the State's CMP and approved if it meets the guidelines established in the State CMP and Article 42 of the NYS Executive Law.

Copies of the Village of Manorhaven Local Waterfront Revitalization Program are available for review in Albany at the DOS offices, 162 Washington Avenue, and in Port Washington at the Village of Manorhaven offices at 33 Manorhaven Boulevard.

Any comments on whether or not the action does or does not constitute a routine program implementation action should be submitted by November 17, 1996 to: Helen Grady, Office of Ocean and Coastal Resource Management, Coastal Programs Division, N/ORM3, SSMC4, 11th Floor, 1305 East-West Highway, Silver Spring, MD 20910.
